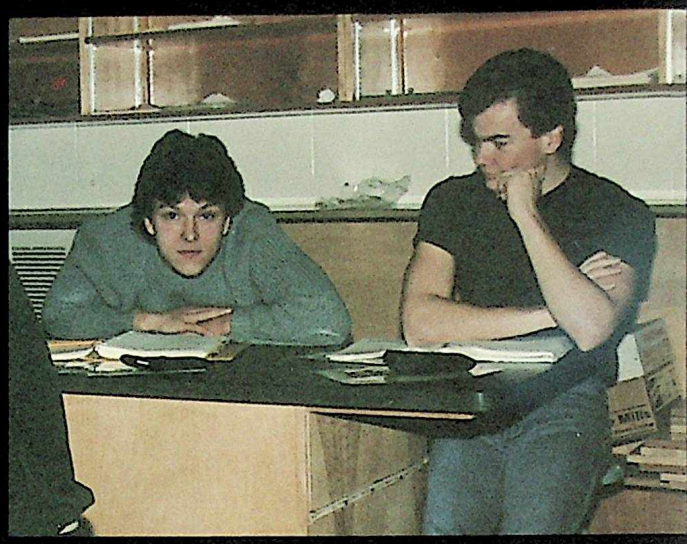
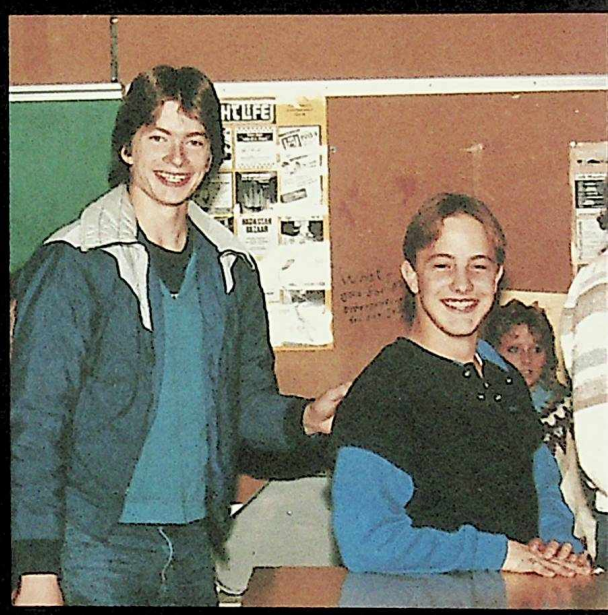
The world is constantly undergoing change. Whether it is a change in ideas, events, circumstances, or a unique combination of many different aspects, these changes represent the differentiating factors that make each year special and something to remember.

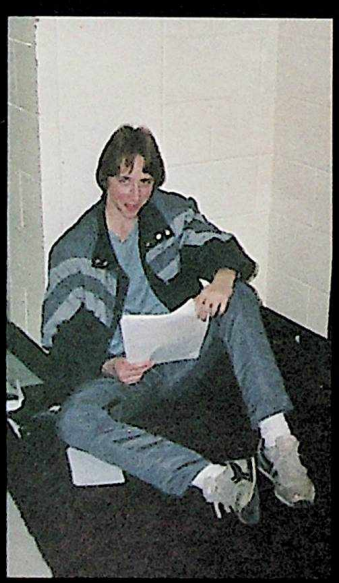
Previously, these events have not been singled out and remembered but the emphasis of the trend 1985 is specifically placed towards these changes.

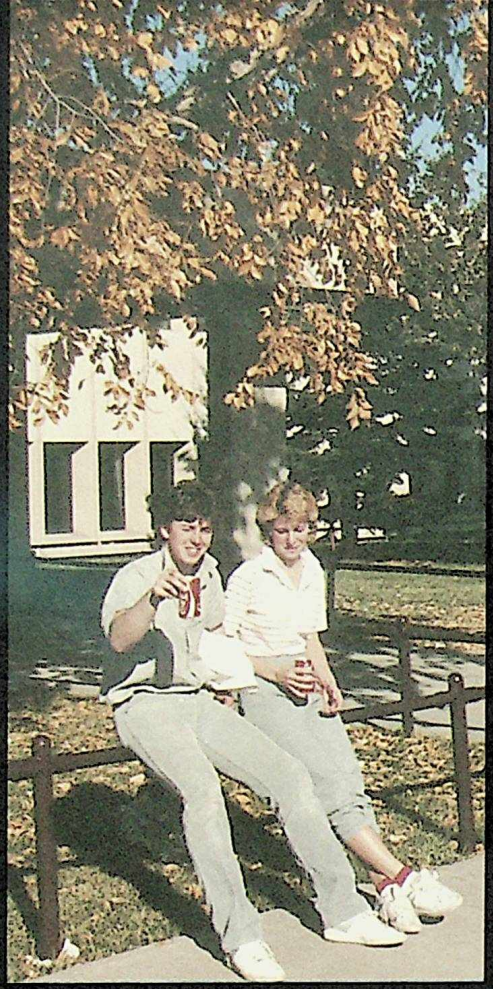
World events and issues have a definite effect on our thinking and ideas, but more evident are the changes here at McNally.

Looking beyond the scholastic events at McNally, students found many ways to express their individuality and the "Tiger Spirit Alive in '85" . . .



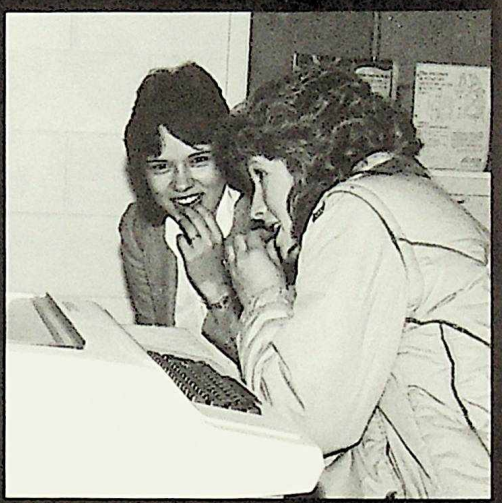




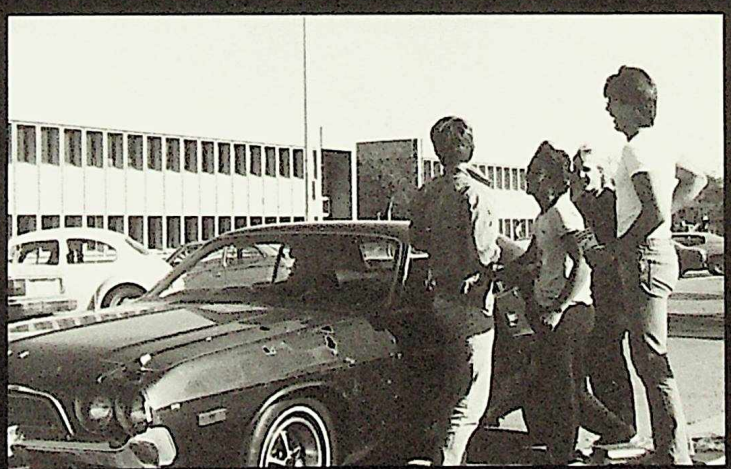


. . . times spent with friends in moments of leisure and pure enjoyment . . .

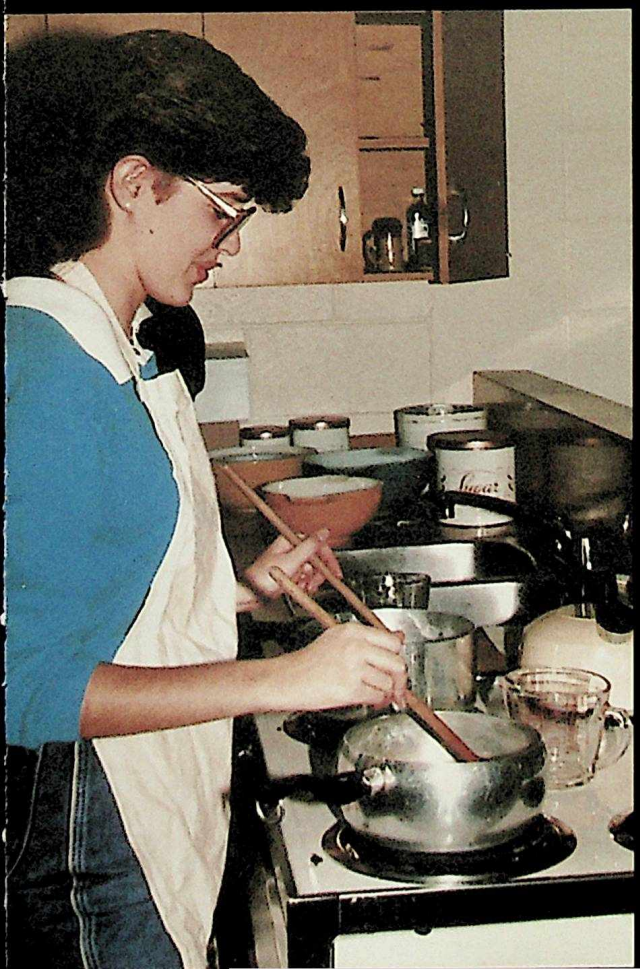
. . . social gatherings of one sort . . .



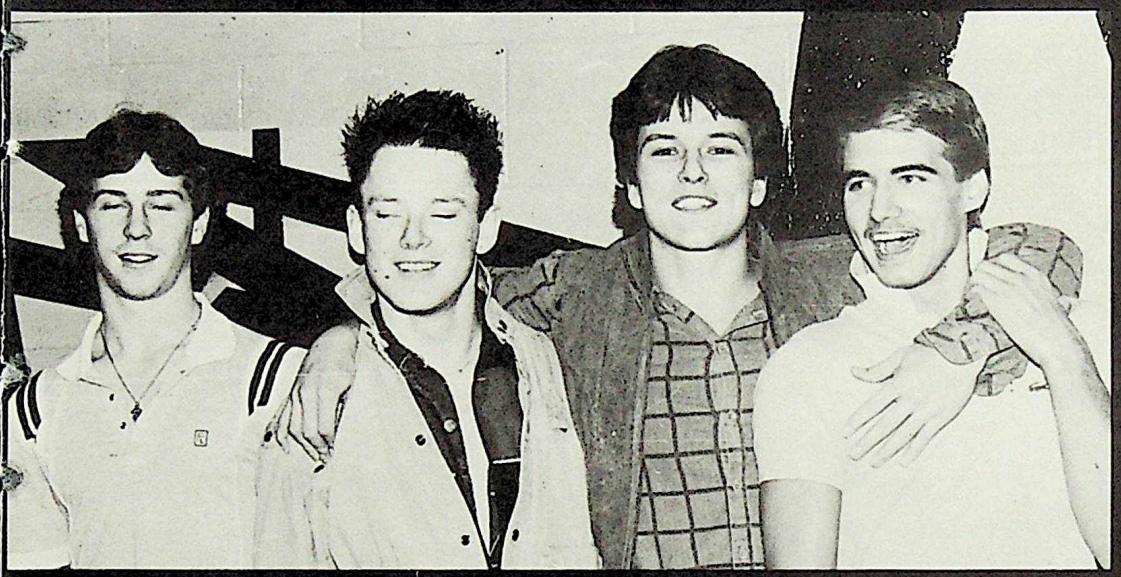
. . . or another . . .



. . . expressing qualities of personality that make classes and activities unique . . .



. . . spending time with friends . . .



. . . the competitive spirit . . .

ADMINISTRATORS

Principal's Message

A high school is a complex social institution. At McNally over 1100 students and about 75 teachers and support staff come together daily to engage in a vast array of highly structured, purposeful activities. After three years of such activities, students expect to be prepared to enter what most consider to be the adult part of their lives.

While the formal instruction and evaluation activities of the school form the very reason for its existence, the content of yearbooks tend to emphasize extra-curricular activities. Although extra-curricular activities are optional and are engaged in on the basis of student choice, I feel they are an integral part of the educational offerings of the school. The leadership and intellectual skills developed, the attitudes formed, the new interests aroused, the physical and social skills refined, the friendships made, and the fun derived from extra-curricular activities contribute greatly to the growth and development of students.

As a result of endless hours of work by a dedicated yearbook staff consisting of students and teachers the 1984-85 TREND will capture memorable moments in your life at McNally. Over the years you will spend considerable time recalling the good times in your high school experience through the pages of this book.

It is my hope that the experiences provided in the classrooms, on the playing fields, in the gymnasia and through the many clubs at McNally, will enable every student to approach his or her post high school life with feelings of confidence and enthusiasm.

With fondness and best wishes.

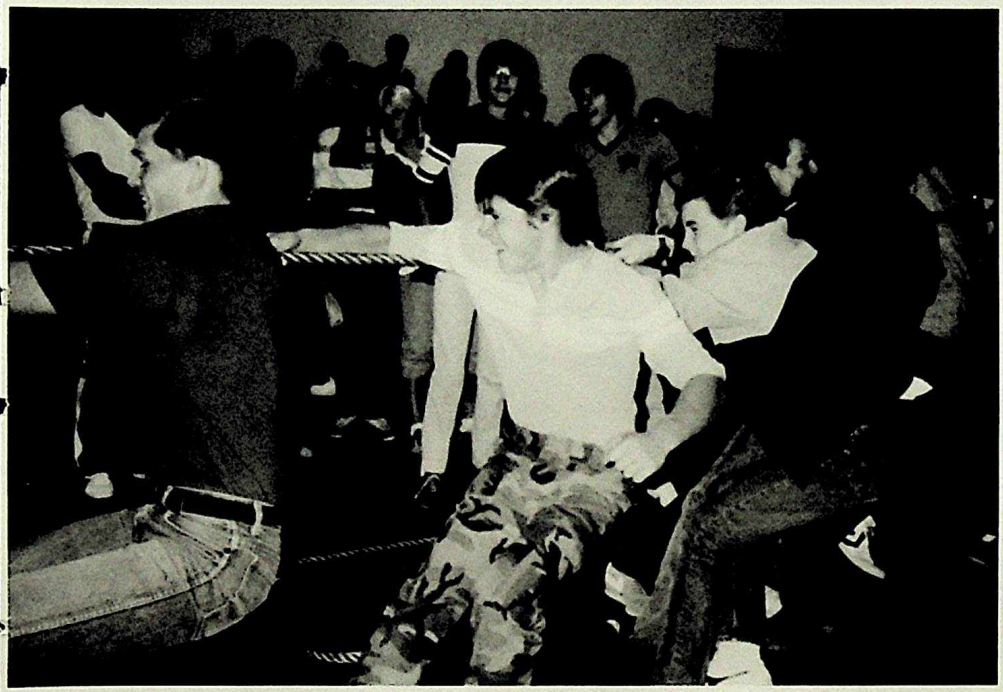
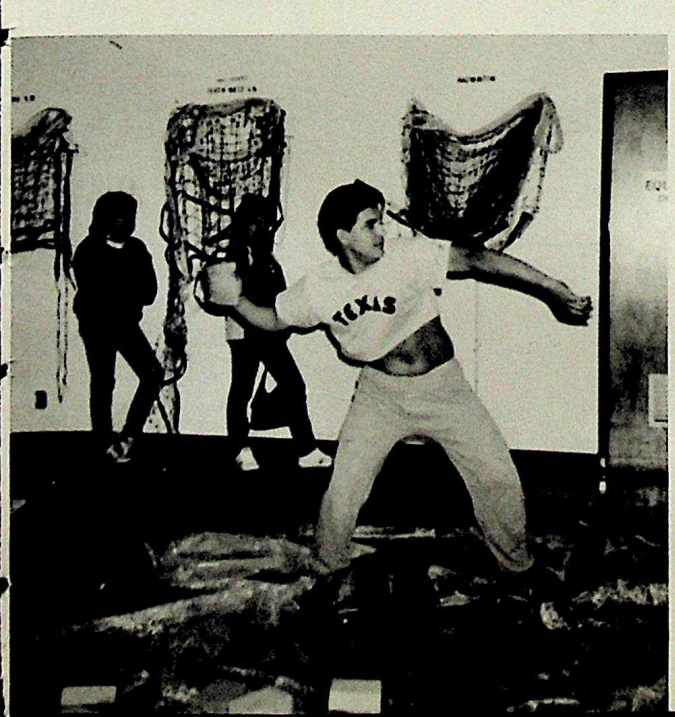
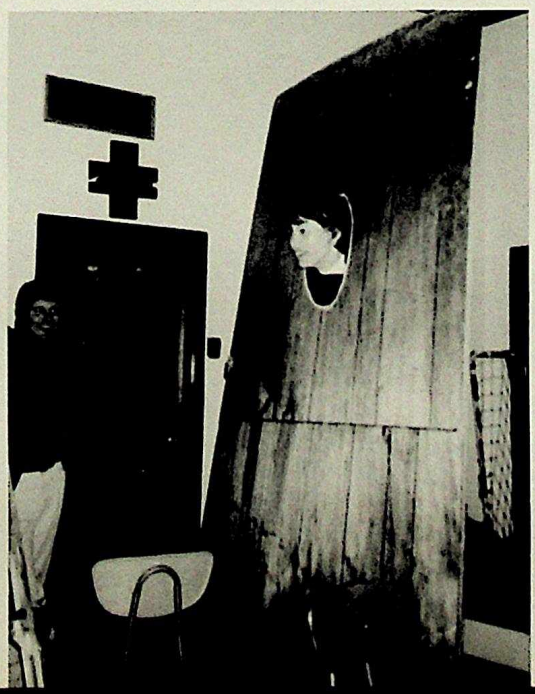
WELCOME DAYS

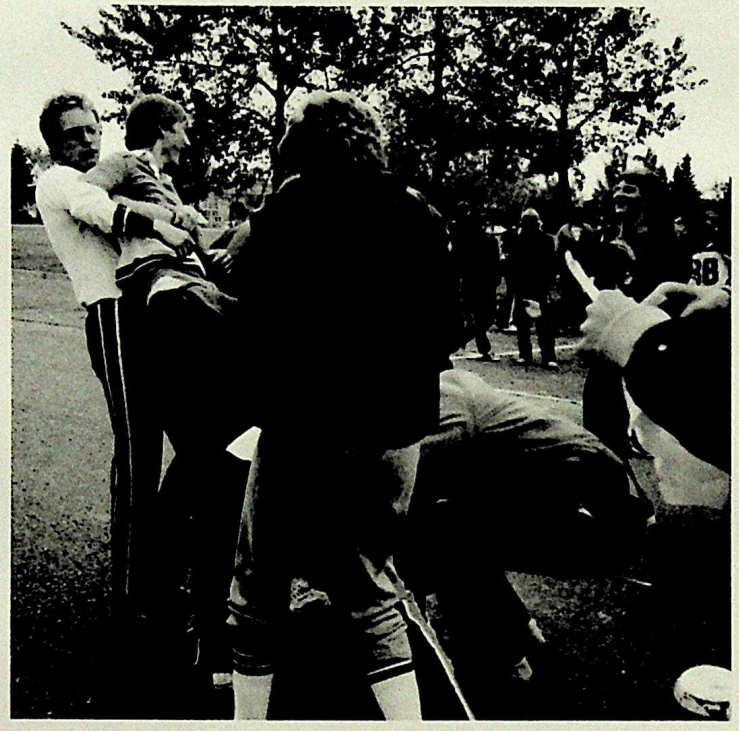
To spite the weather and the cancellation of the 18-legged race, WELCOME DAYS, held on September 12th in the large gym, brought out a hearty crowd of participants and cheers. Congratulations are extended to the big mouths in Mrs. Dickie's period three class who were the winners of our Rootbeer Chug-a-Lug, and the muscle-people of McNally, all of those who participated in the Tug-O-War! Our "Best Sport" undoubtedly belonged to Mrs. Tayler. The soaking Second Languages teacher repeatedly braved it through "just one more throw" even though she always got hit. Thanks to all those who helped and all those who took part.

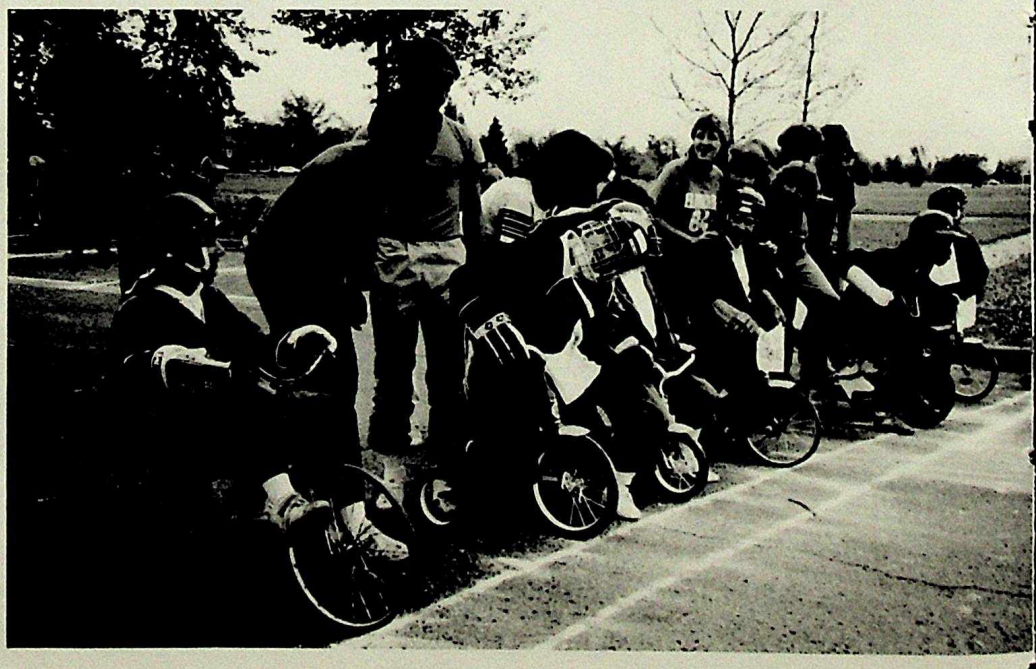


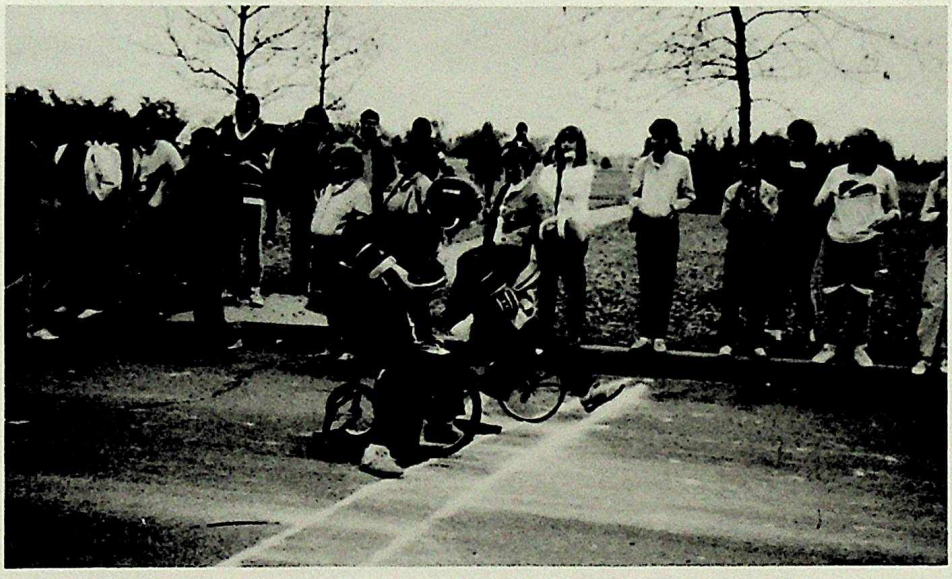




GRAND PRIX



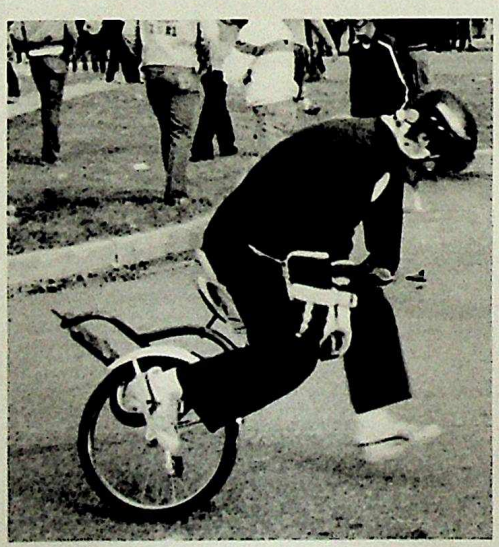


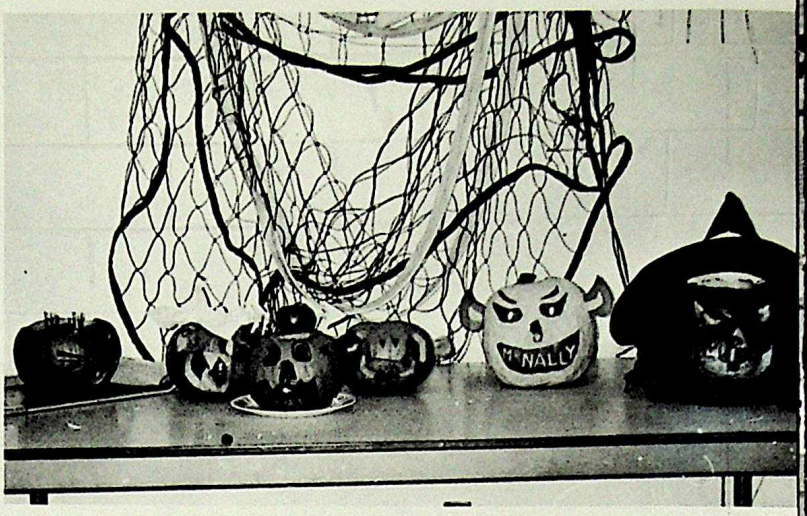


The Third Annual McNally Grand Prix was held on September 26, 1984, in the students' parking lot. A great number of teams were entered and participation was great. In the end, Sware's Kinematics won the grand prize, with second place going to Miss Middleton's Microtrikes, and third place to Miller's Millertime.

The weather for the Grand Prix was good, and everyone was in a festive mood. An excellent job at starting the races was done by Mr. Lund and his trusty firearm. Once the races began, chaos broke loose. There were numerous hair-raising accidents, and drivers were being picked off the ground by their pit crews almost constantly. Right from the beginning, it was evident that the Kinematics would win. A group of radical terrorists decided to put a halt to this. They quickly formed a blockade across the track, and attempted to haul down the Kinematic's racer. Skillful dodging and heroics by Mr. Sware saved the day.

The McNally Grand Prix was once again a great success. This year however, there was much more excitement, and everyone who watched or rode in this event went back to class with some great memories of one day in their high school years.

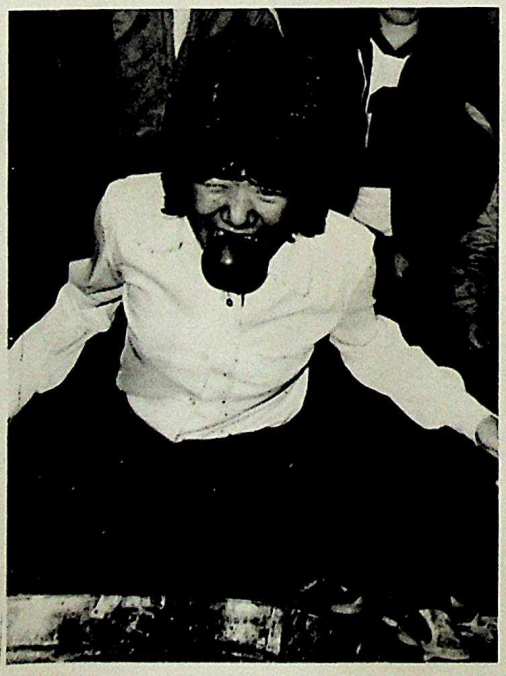




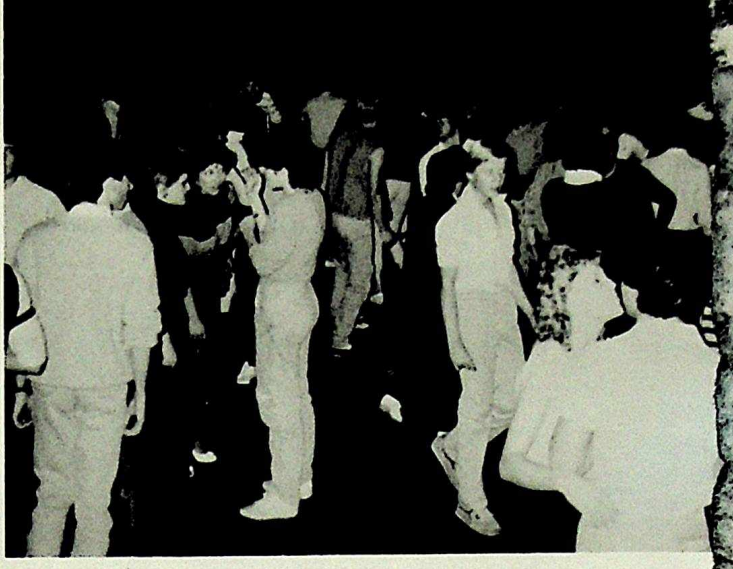
HALLOWEEN

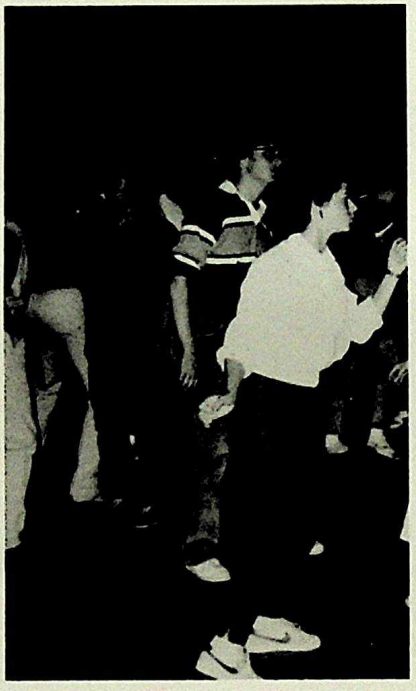
On October 31, the Student Council held Halloween Day. Halloween Day gave everyone a chance to dress up and have a lot of fun. The fun started at lunch. Everyone assembled in the gym to watch and participate in the mummy wrapping, the bobbing for apples, and the pumpkin carving. While classes ran in the mummy wrapping, the wave got going. During the mummy wrap, everyone had a chance to bob for apples. When the toilet paper was finally cleaned up McNally's top pumpkin was judged by Mr. Lund, Mr. Chrusch, and Mr. Sheppard. The pumpkin carved by Mrs. Ewasuk's English class, the one with the McNally smile, won first prize. Later all the pumpkins were donated to the Jubilee Lodge. The costumes were judged and the winners were (1) Lori Howden, Mighty Mouse and (2) Neil Roberts, Incredible Hulk.

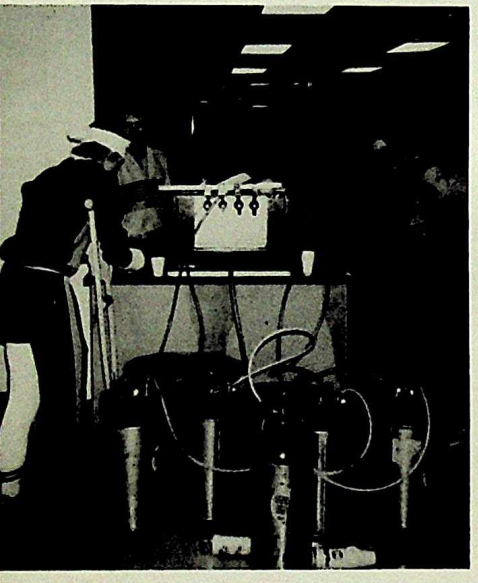
Later on that day, those who were dressed up went trick or treating during the period 8 class while the band silently stalked the halls playing a "very scary" song.

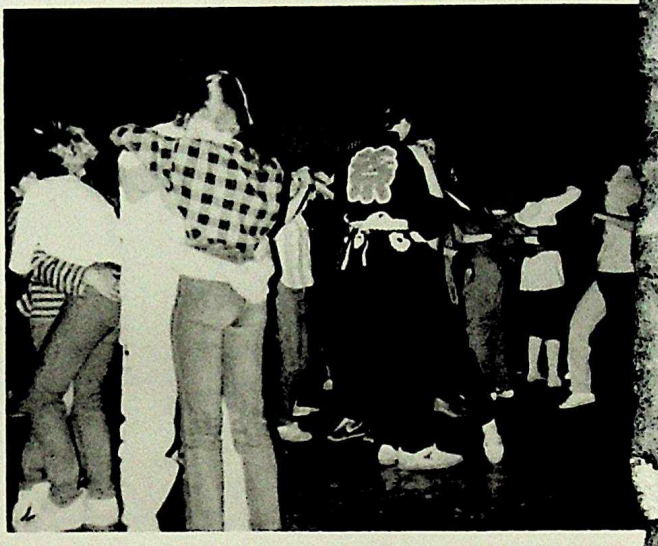


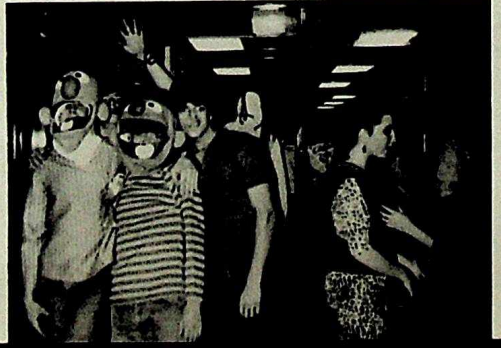
DANCES

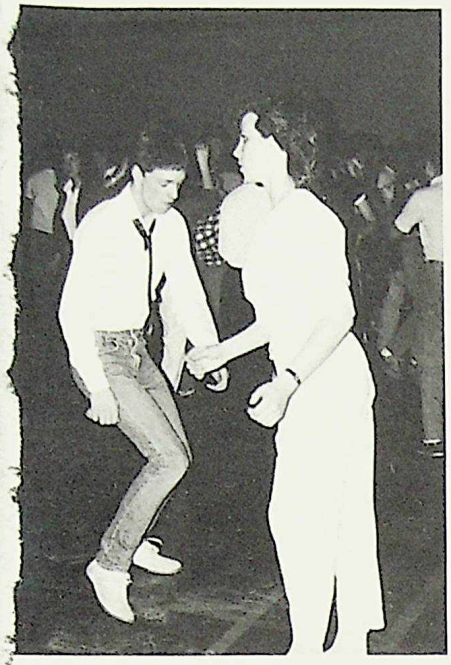


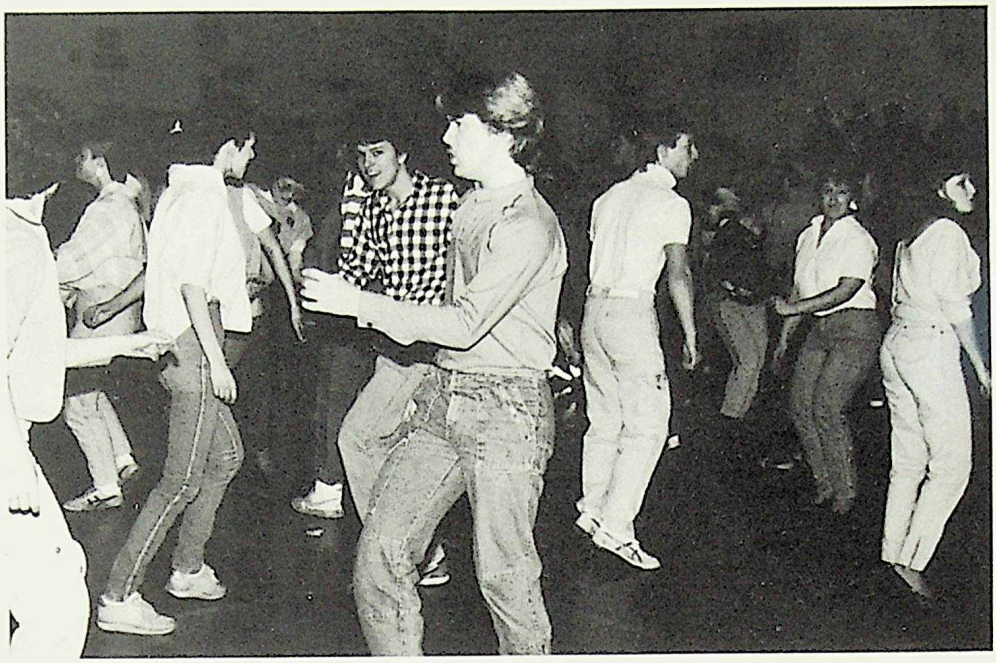


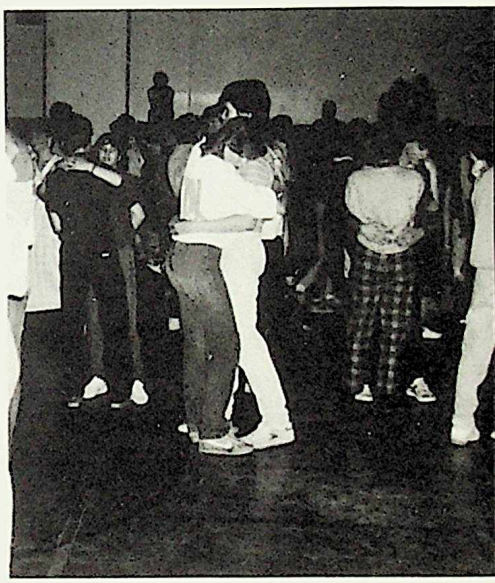


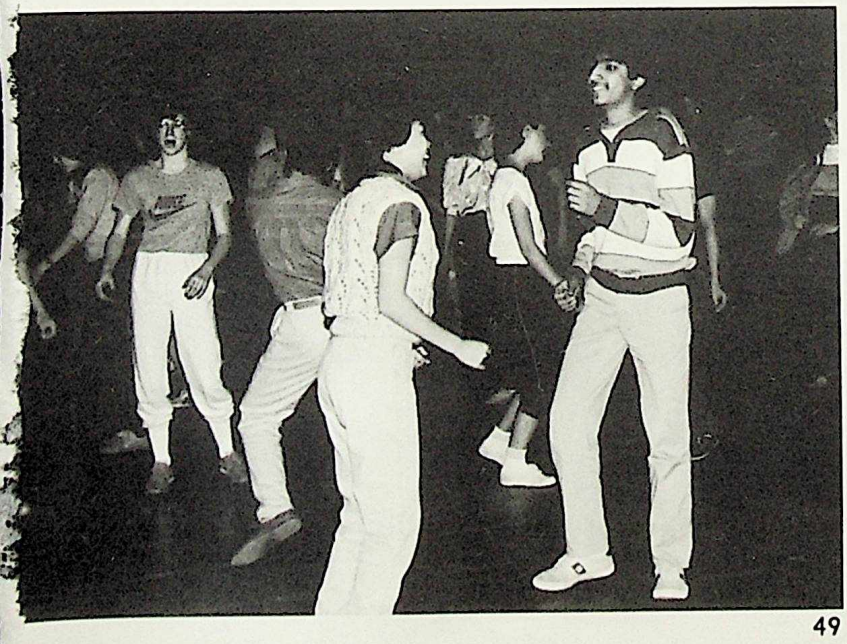




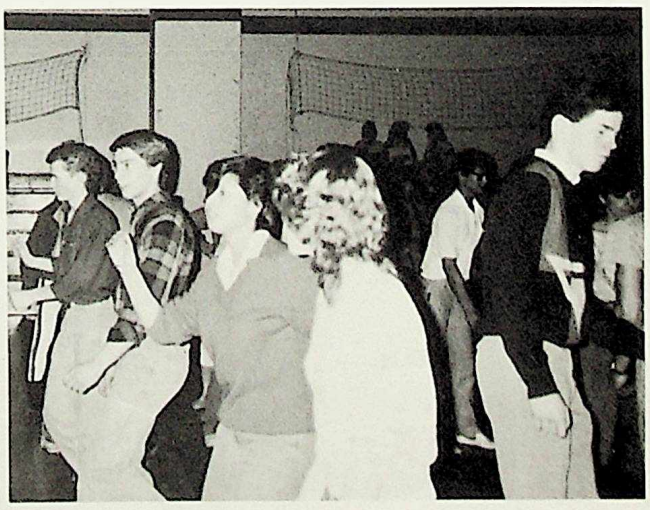






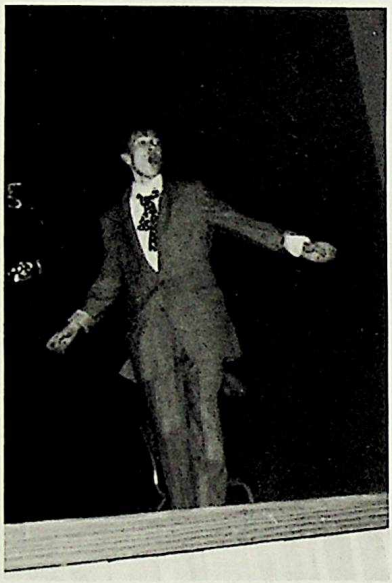


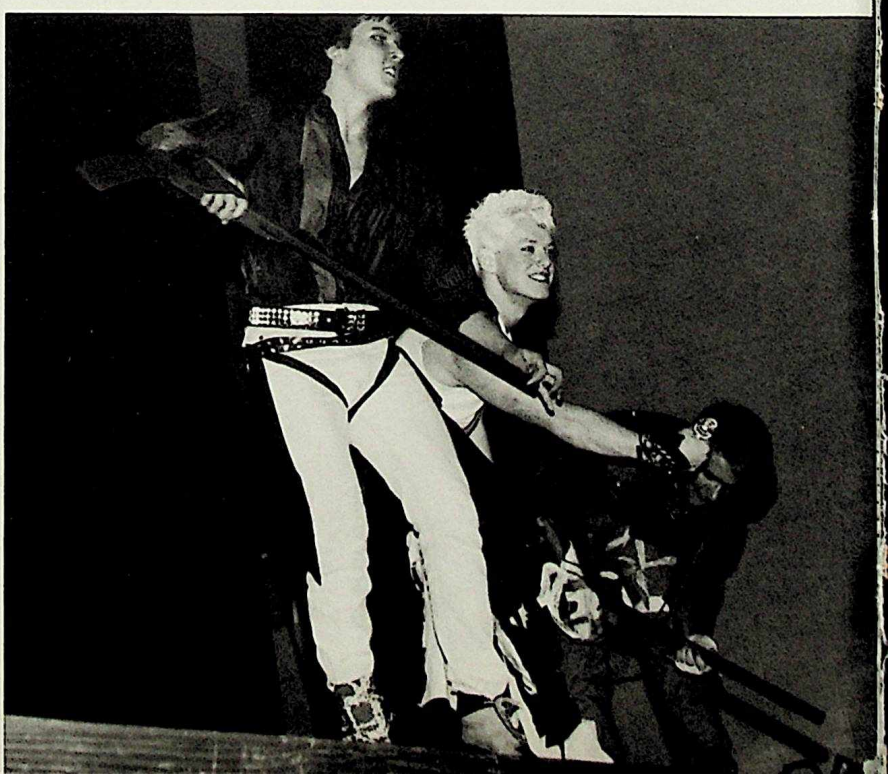
AND DANCES

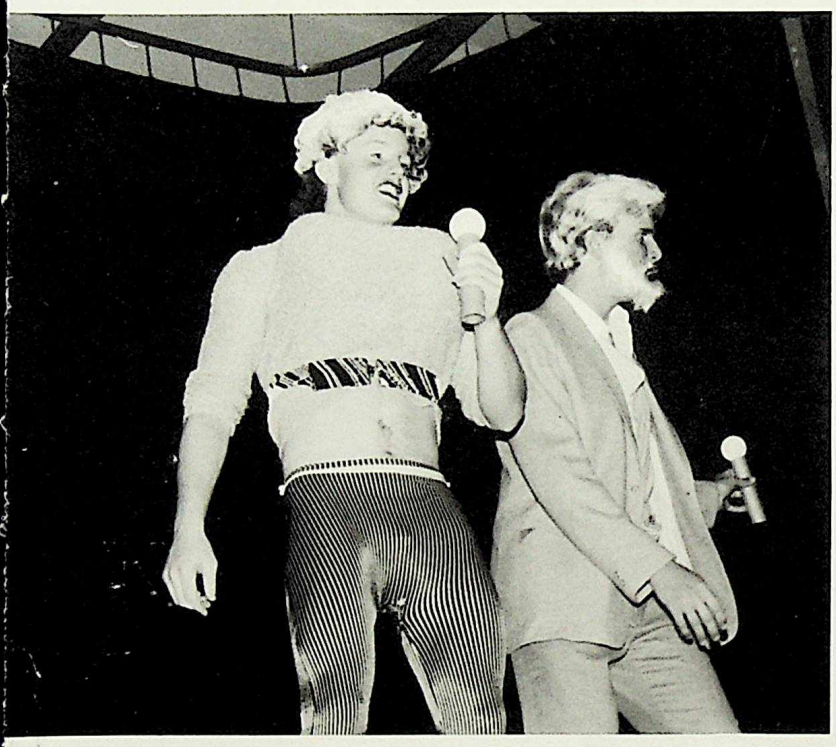


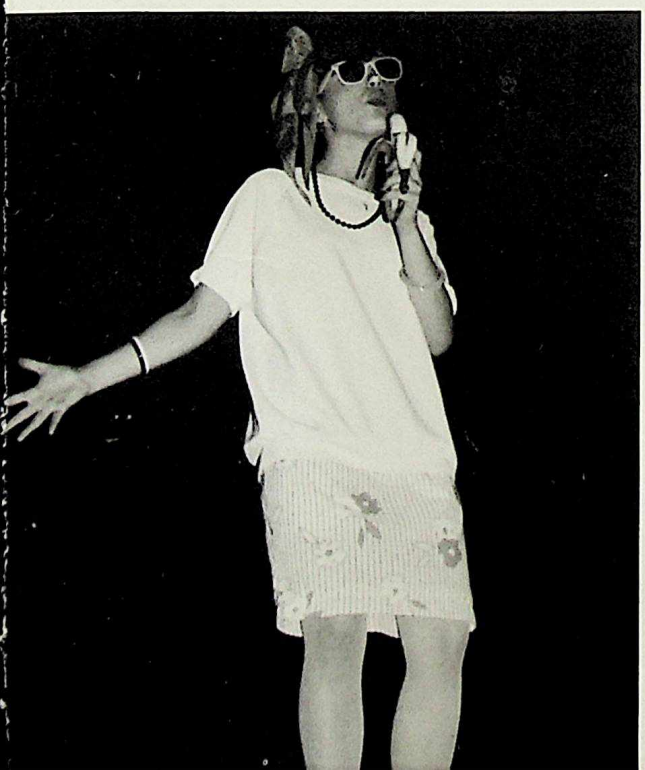
AIR BAND CONTEST

On Wednesday, November 28th the Student's Union held their Air Band Contest. The judges were Mrs. Roberts, Constable Eastcott, and Mr. Skoreyko, Paul Samycia, alias Stevie Wonder, won first prize, $100, for his rendition of "I Just Called To Say I Love You." Second Prize went to Billy Bateman — composed of Ned Cooper, Jay Roberge, Kelly Atkinson, and Ron Bateman. The competition was emceed by Shannon Zwicker and Phil Newman.









PANCAKE BREAKFAST

The annual pancake breakfast was held on the last Friday before Christmas by the Grad Council. The breakfast consisted of pancakes, sausages, and orange juice. It was attended by the Oiler's wives, Betty Hewes, and Miss Grey Cup. The band entertained everyone with Christmas carols, and prizes were given away by a jolly Santa Claus. Everyone who attended the breakfast enjoyed themselves, and remembered the last day before vacation, even if they skipped the rest of the day.

MCGRAMMY AWARDS

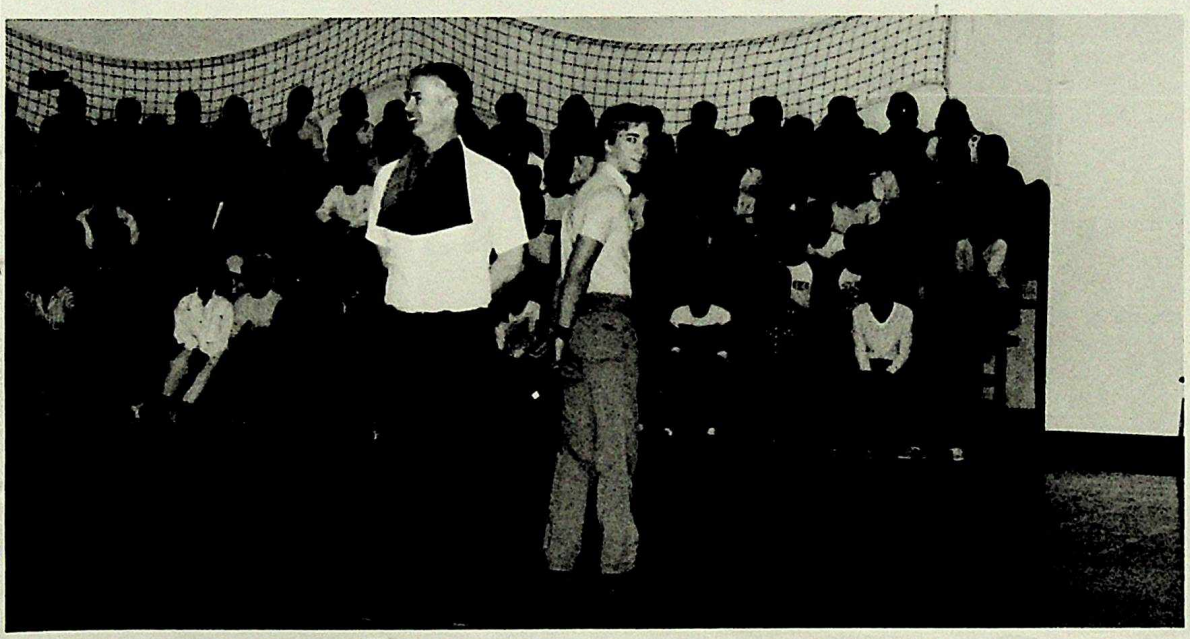
McNally's first McGrammy Awards were held on December 19, and were a resounding success. The awards were held by the grad council, and revealed the talent present in our school. First place was won by the McNally Breakers and second place was taken by a group singing "Scarborough Fair". Besides the winners, groups demonstrated knowledge of body parts, impersonated the muppets, gave a rendition of the first driving lesson, and played the piano extremely well. The McGrammy Awards were fun for both spectators and contestants, and was a great way to spend the Wednesday before Christmas.

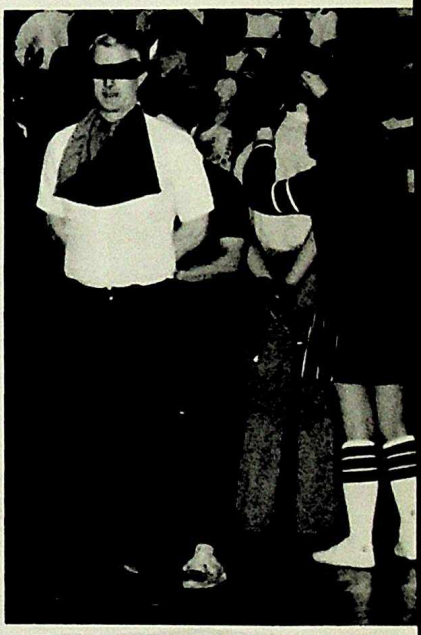
VALENTINE'S DAY

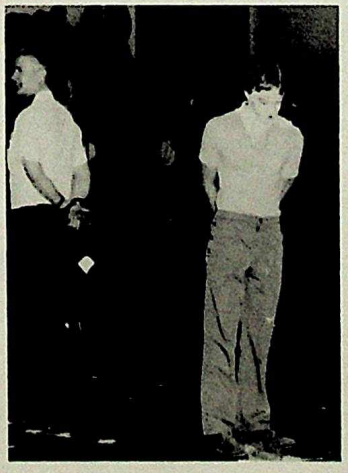
The main feature of Valentine's Day was the cupids delivering cards and roses to the selected few. Most everyone had a good time especially the cupids and the embarassed recipients.

PIE IN THE FACE

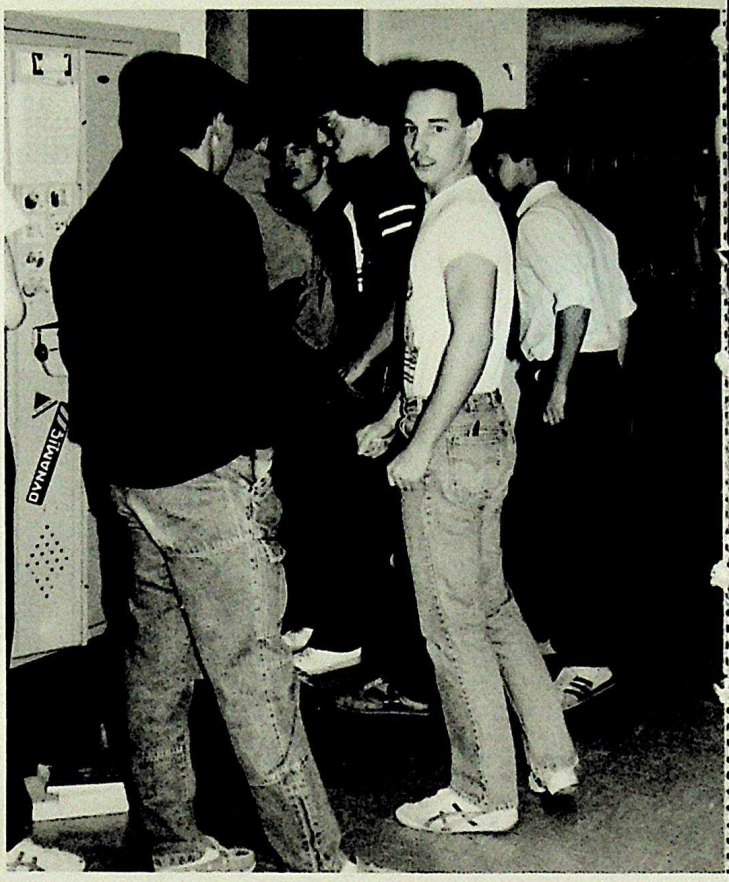
During the Pep Rally on March 13, everyone there was treated to an extra bonus. The two winners of the pie in the face contest, David Tupper and Mr. Sheppard, were each splatted with a whipped cream pie. With a total of eleven candidates, these were the two "lucky" ones who received the most money. From this event a total sum of $35.00 was raised towards the Ronald McDonald House.



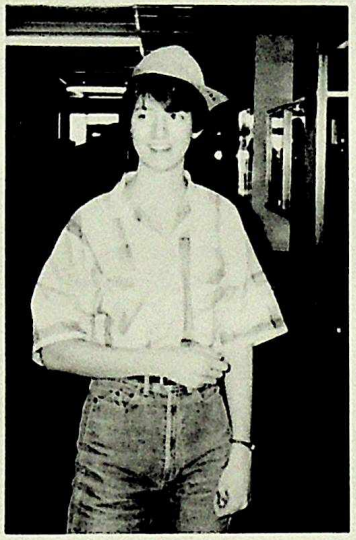


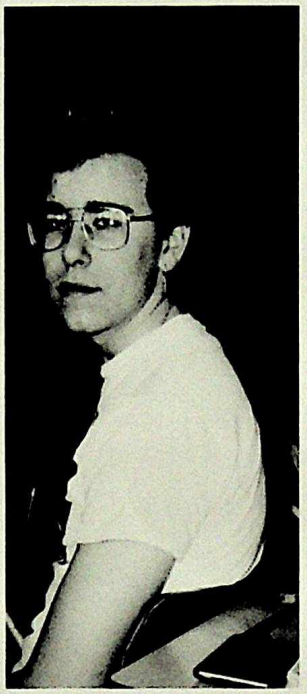


T-SHIRT DAY

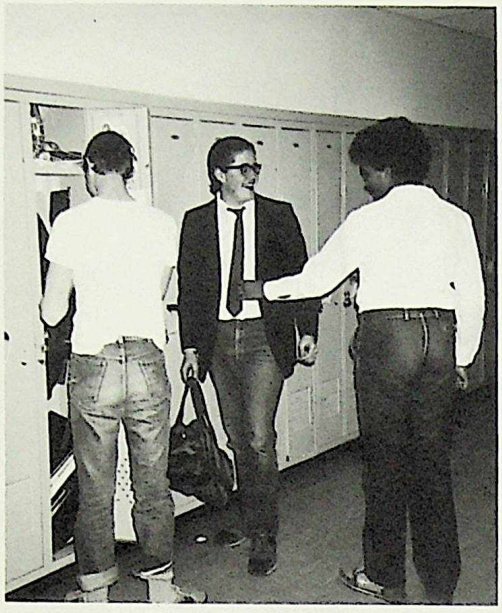


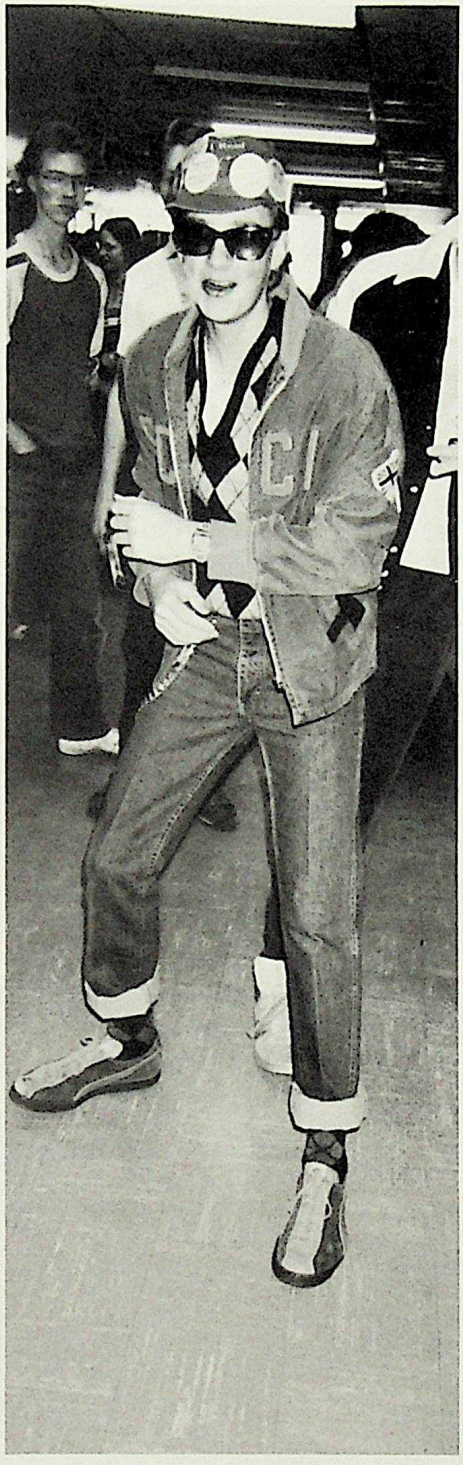
HAT DAY



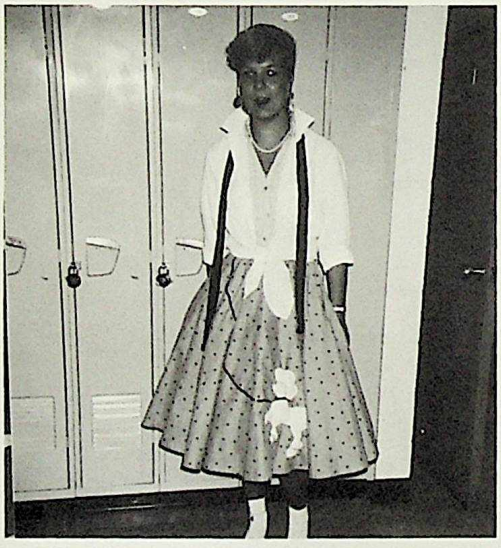


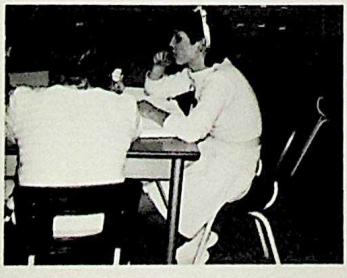
50'S DAY



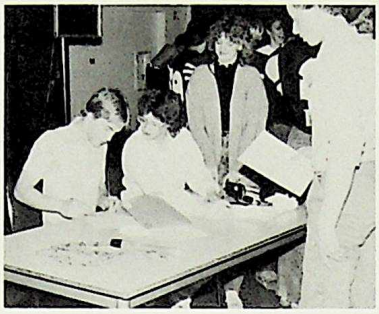


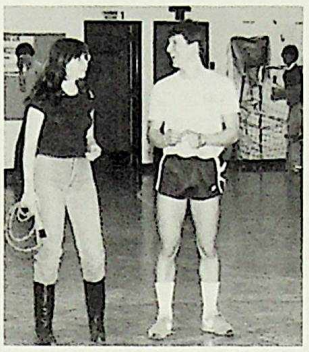
On March 15, McNally was transformed into the 50's. Poodle skirts, bobbie socks, and greased hair were many of the sights seen throughout the school during the day and dance. During the dance, people bopped to the sounds of Buddy Holly, Jerry Lee Lewis, and the Beach Boys.



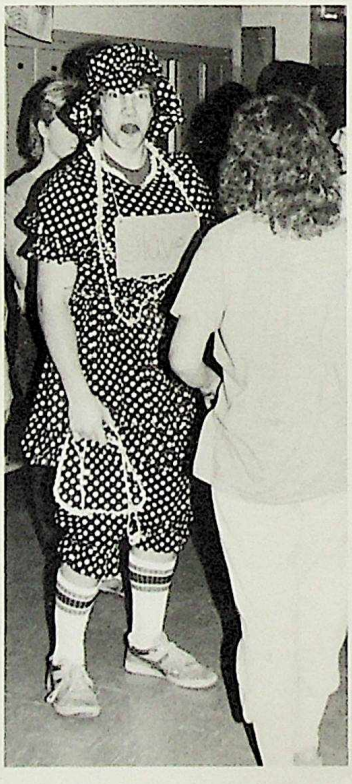


SLAVE AUCTION

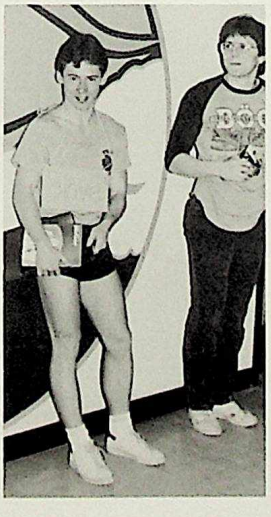


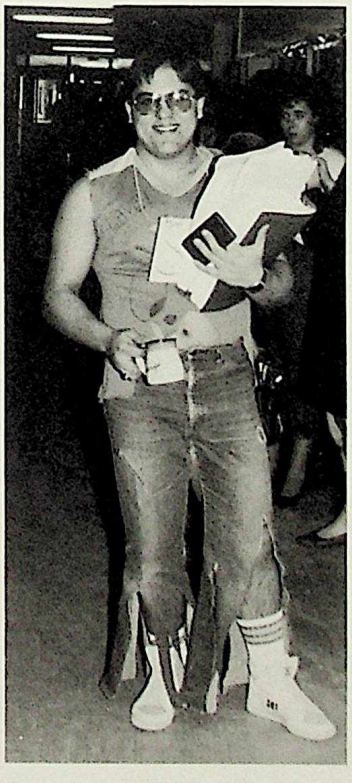


On March 21 many of the slaves bought from the day before had to prove their value. Most were seen carrying loads of books for their masters, while others had to carry their masters. Some were noticed pushing pennies down the hall, or doing crazy stunts throughout the school. For this event, a total of $85.00 was raised towards the Ronald McDonald House.



SLAVE DAY





HAWAIIAN DAY

On March 22 McNally was hit by a Hawaiian heat wave. Many of those who participated came as tourists, while the more outlandish dressed as natives. A few even went as far as to bring their own beach.

The satellites, Westar 6 and Palapa B-2, are scheduled to be removed from Discovery today. That will come after checks to make sure no toxic fumes are present from onboard hydrazine rocket fuel. Because the shuttle Challenger is grounded for extensive repairs of its heat shield tile system, Discovery is scheduled to make the next flight. Discovery is slated to take off around Jan. 21 to ferry a secret military satellite into orbit. Workers planned a detailed inspection of Discovery's 20 ceramic tiles for any nicks or chips.

SENIOR CHEERLEADERS

Being a Senior Cheerleader at McNally involves hard work all year round. The cheerleaders worked on "dance" and new cheers throughout the summer. They started the year with McNally's best ever pep rally performance. After attending major "Cheer Clinics" the cheerleaders were at the football games rain or shine, snow or sleet, cheering on our Tigers. The cheerleaders were also at the climate controlled basketball games. Their performances included the Capher Tournament, the Christmas Lit Nite, and the February Vic Invitational Tournament. Tryouts for the 1985/1986 squad were held in May.

JUNIOR CHEERLEADERS

Clockwise, beginning at top left: Kerry Newman, Jodi Rapaich, Ann-Marie Shyshka, Ginger Bast, Shannon Feser, Michelle Marusiak, Grace Leigh, Darcey Retzlaff, Louise Luchak. Missing: Jodi Roller, Tammy Thompson, Gregg Mann, Gary Swalsky, Todd Merenick.

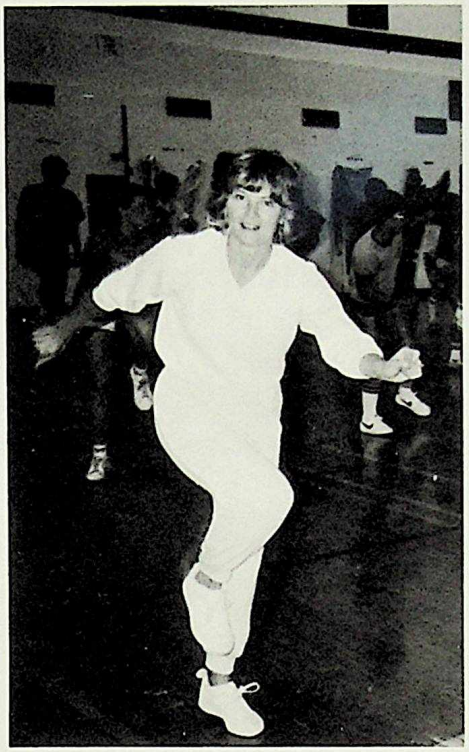
GOLF CLUB

Back Row: John Edwards, Stuart Bray, Miss Smith, Mr. Oberholtzer, John Washington, Jeff White. Front Row: Gerry Romanic, Tomas Marshall, Ian Page. Missing: Ed Leno, Ethan Fisher, Trevor Melin, Corey Lock, Kevin Hauff, Trevor Nyroos.

The golf club would like to thank the Student's Union for funds and support. Thanks, also, to Miss Smith and Mr. Oberholtzer for their leadership and organization. The work of John Edwards, treasurer, is much appreciated. The golf club involved a number of people and it was enjoyed by all who participated. We would like to see more students come out next year.

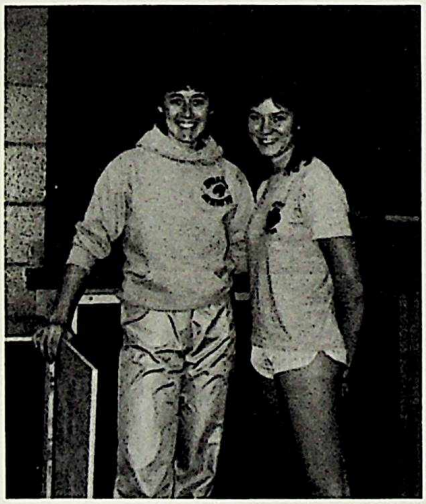
Thank you,
Gerry Romanic (President)

AEROBICS (NOONERCIZE)



The Aerobics Noonercize Club is in full swing every Wednesday and Friday in the gym. The enthusiasm on the part of the McNally students is tremendous. Number of participants range from 40 to 80 individuals.

"If you have been one of the Noonercize members 'Thanks' for making this club a success."
Miss Stevenson, Nona Footz



These are a few of the many participants in noonercize:
Back Row: Geoff Boychuck, Simon Slater, Jeff Bevan, Tania Smith, Rob Galon, Vicki Chistian, Jennifer Saville. 6th Row: Doug Farrus, Uche Nwobosi, Richard Tolway, Robert Weyer, Denise Truman, Jennifer McCleneghan, Kari Wattie, Vida Foubister, Asmaa Hassan. 5th Row: Jennifer McMullen, Dean Mayo, Ken Kirsch, Patti Boyko, Jodi Wrubleski, Tracy Boytel, Janice Cherewick, Rann Dean Savage, Audra Cruller. 4th Row: Michelle Lauber, Tazim Merali, Jennifer Maclean, Kris Toews, Jennifer Morrison, Melissa Quach, Corene Lashmar, Sherri McCormack, Aaron Halvorsen. 3rd Row: Hanako Sasada, Janet Stein, Cornelia Schwarz, Shelly Fitzpatrick, Manal Mansi, Hugh Leitch, Patricia Lavery, David Litke, Mike Ricketts, Jerry Larson. 2nd Row: Miss Stevenson, Corina Pope, Roland Poon, Anna Marie Korbut, Kelly Mah Fat, Rolinda Mack, Koren Klak, Craig Budney, Troy Odynski, Errin Kimball. First Row: Allan Owen, Donna Westra, Tracey Blacklock.

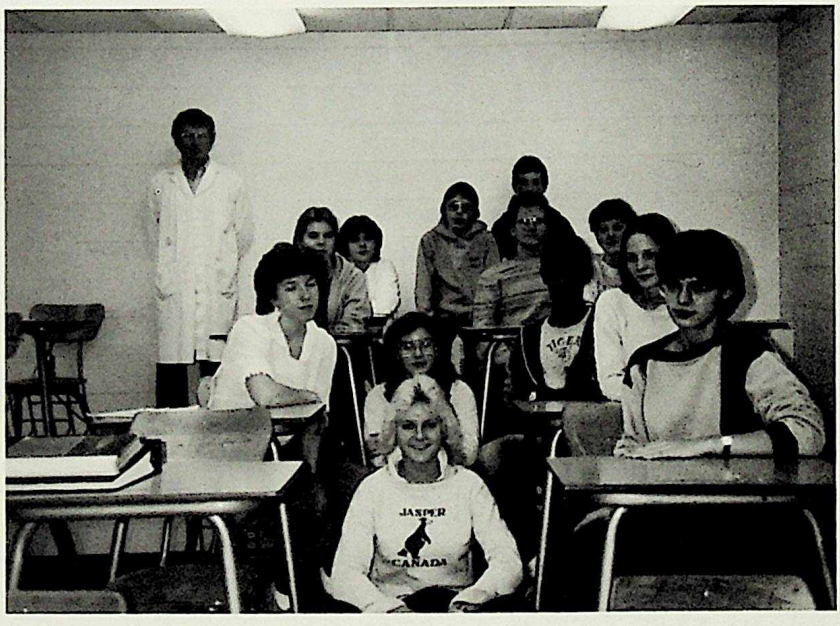
CYCLING CLUB

This is the first year of the McNally Cycling Club and as with any neophyte organization, we have high hopes and lots of enthusiasm. This year's planned rides include the Banff-Jasper Highway along with some neighbourhood day trips. There is also the possibility of a European tour in co-operation with the Bonnie Doon Cycle Club. More to come. Cycle for fun.

Back Row: Dave Yadellee, Pat Quon, Blair White, Dave Younghans, Hugh Trenchard, Ken Workun, Mr. Skoreyko. Front Row: Ben Wong, Ron Talen, Carter Cox, Jason Hlus.

HIKING CLUB

The Hiking Club had both educational and recreational purposes. The members learned about the different animals, plants, and trails in the Alberta Rockies. They also got to experience the joy of hiking through the wilderness with their friends and fellow members. Their first hike was at Elk Island in the middle of Edmonton's first major blizzard. Unfortunately, there was more concern about keeping warm than hiking. At the end of May a spring hike in Banff was planned. It can't snow but will it rain?

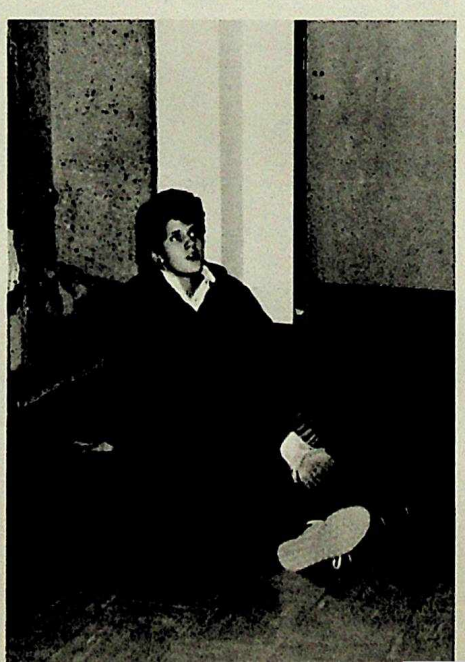


Semi-circle from L to R: Kathy Hochachka, Martine Clamaron, Linda Tanner, Corina Pope, Natalie Gallant, Mr. Dzwiniel, Andy Normey, Robin Kerr, Darren Patches, Tracey Smallwood, Raj Mahabeer, Jill Fitzpatrick, Anna-Marie Huszar. Missing: Heather Swedberg, Karen Fishburne, Carter Cox, Todd Merenick, Koren Klak, Melonie Keehn.

"50" HOUR RUNNING CLUB

Back Row: Mr. Dufresne, Robert Carstensen, Robert Weyer, Margaret Lutes, Sandra Lutes, Jennifer McMullen, Raj Mahabeer, Rabin Mahabeer, Darcy Blair, Corina Pope, Mrs. Stevenson. Middle Row: Rik Mahabeer, Todd Merenick, Lalit Bassi, Lenore Mearns, Richard Tolway, Nancy Leversedge, Marlow Gereluk. Front Row: Jane Yi, Marlena Kostiniuk, Trevor Goertzen, Hubert Lau, Bob Krysa. Missing: Darcy Gray, Veronica Pfalz.

Here at McNally the "50" Hour Running Club gave those who enjoy running a chance to do so without the pressure of team tryouts. The goal of each member was to complete 50 hours of running between November and April. Some joined to develop their running skills and to compete, while others joined for fun and fitness, still others joined for all of the above reasons.



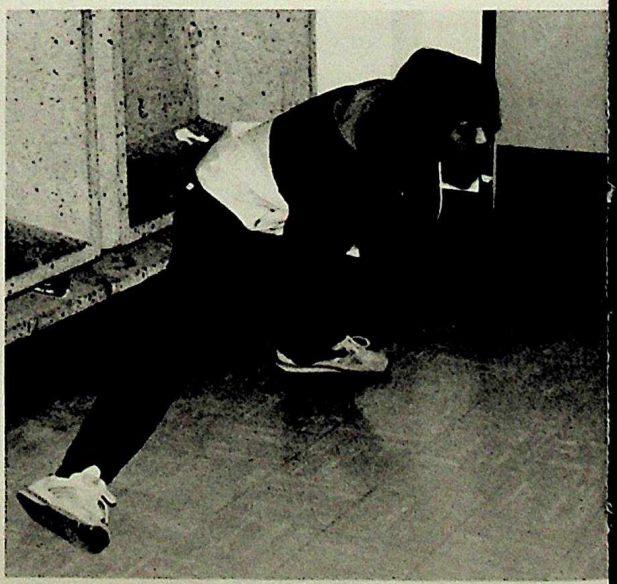


TABLE TENNIS

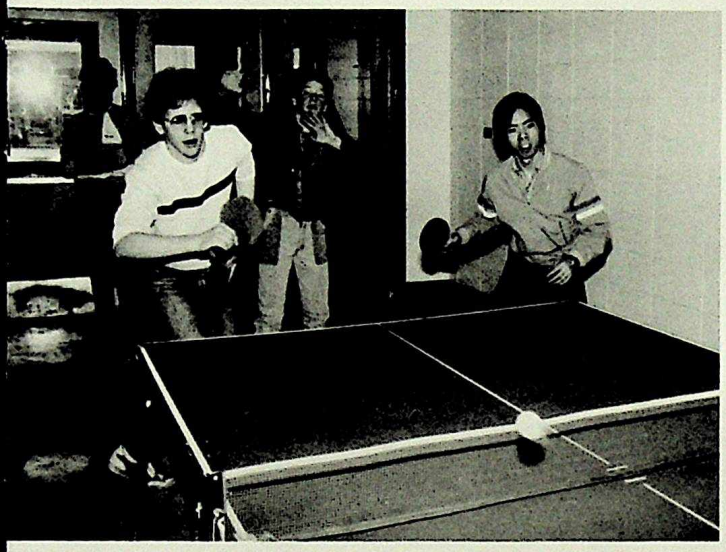
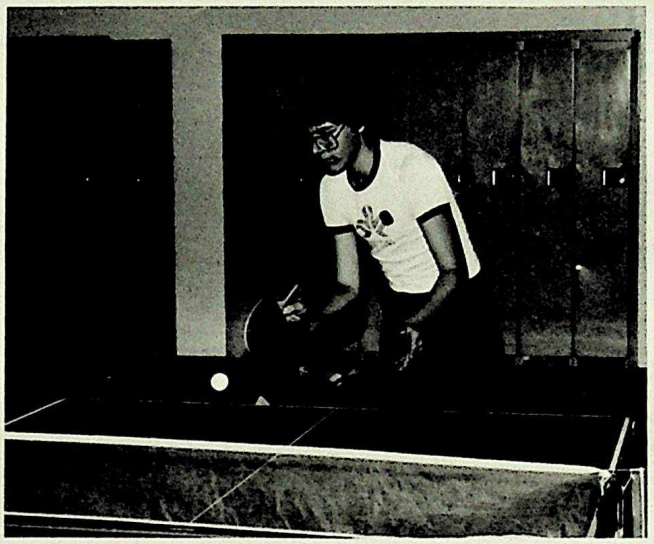
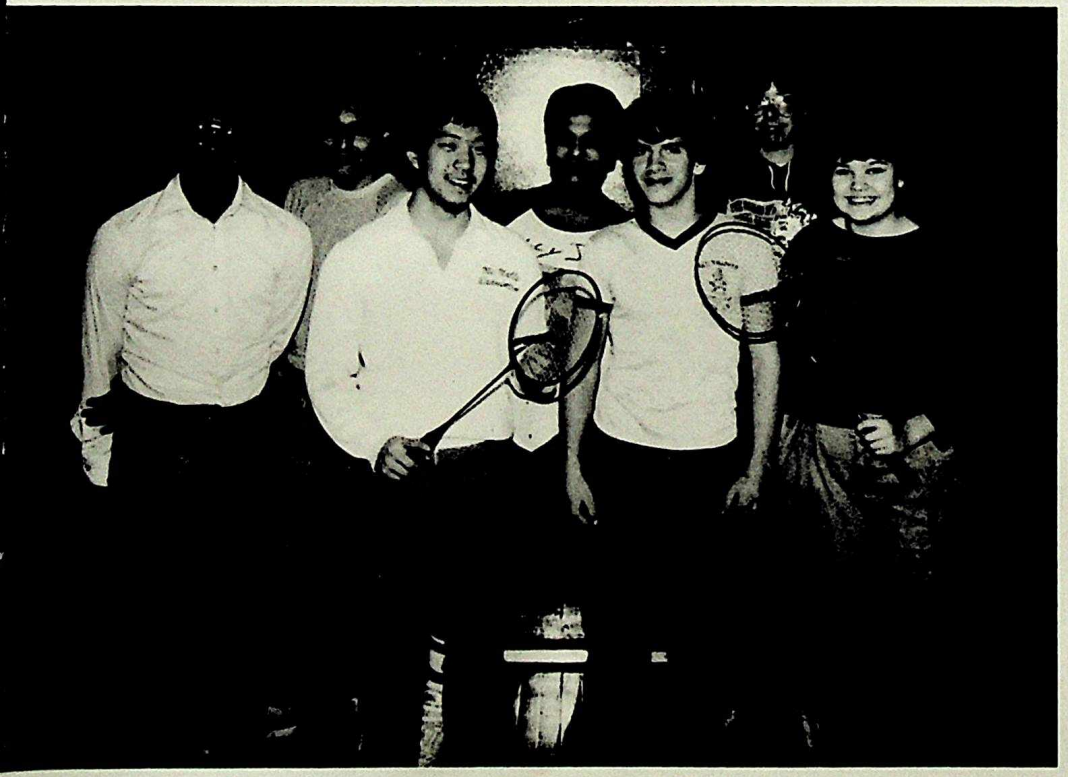
Cam Pickard, Shane White, Thyan Pham, Alvin Doo, Tony Ferrari, Geoff Maskell. Missing: Luong Doan.







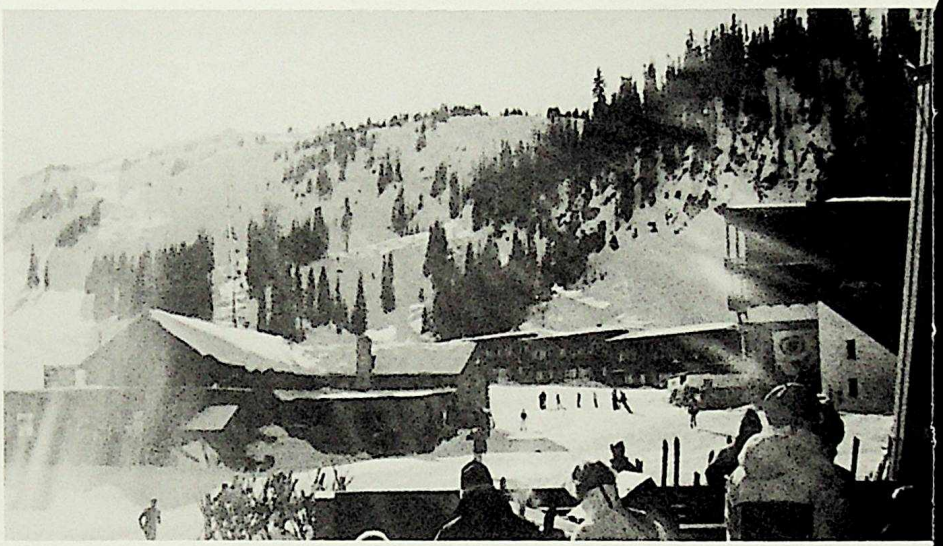
BADMINTON TEAM

Quresh Mahamedbhai, Ray Suarez, Herman Hum, Riaz Hudba, Robert McGillivray, Dean Kiernan, Blythe Venables.

This year the McNally Badminton Club/Team got new uniforms. These uniforms were put to good use when those who practiced so hard with the club were able to compete in this year's tournaments.

SKI TRIP

Despite a few minor problems that occurred during the ski trip, we all managed (with little effort) to have a super good time. The bus, six in a room, dragging ourselves out of bed, and finally hitting the slopes were memories never to be forgotten. All in all, it was a great way to get to know alot of people and have fun on the slopes. Special thanks to Mr. and Mrs. Jaques, Mr. Armstrong and Mr. Dunwoody.



TRAVEL CLUB

The travel club is enthusiastically preparing for their trip to Europe on March 23, 1985. The many stops along the way will include such exotic places as Amsterdam, Vienna, Munich, Florence and Pisa.

Top Row: Walter Symanczyk, Janette Haworth, Lorraine Chopoidalo, Darren Reid, Anita Novik, Diane Giese, Shelley Burak, Paul Samycia, Ned Cooper. Bottom Row: Mr. Johnson, Kelly Krassman, Lyn Morrison, Vicky Baranyi, Jacquie McFadyen, Tanya Terwonen, Mrs. Roberts. NEWSPAPER

David Tupper, Shannon Zwicker, Kris Shortt. Missing: Kim Sonnenberg.

The McNally Newspaper Club was fairly small, but still managed to produce a number of issues. Led by editor Kris Shortt, the club regulary reported on all aspects of school life. Thanks goes to all members of the club for dedicating some of their time to McNally.

I.S.C.F.

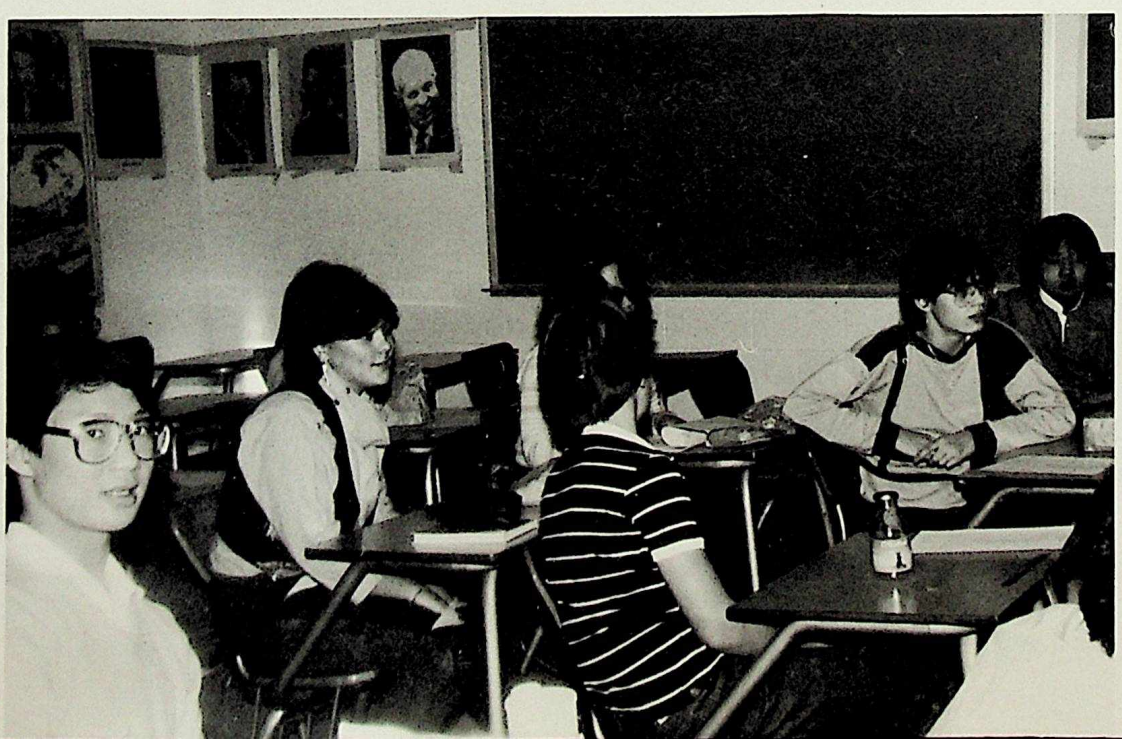
Louise Labonte, Heather Dinnin, Judy Mah, Mr. Johnson, Michelle Plitt, Jackie Hoekstra. Missing: Simon Baik, Steve Elford, Ronda Fredericks, Shelia Harke, Karen Hughes, Karen Smale, Nancy Stretch, Susan Stretch.

I.S.C.F. stands for Inter School Christian Fellowship. It is a group of students with a common interest in a good time and fellowship. It met every Wednesday in room 134. The group was led by Mr. Johnson and enjoyed many activities.

DEBATE CLUB

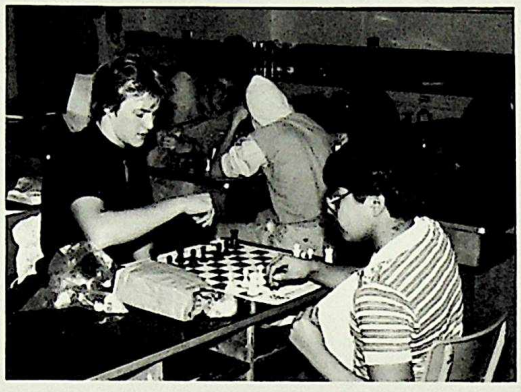
Back: Elaine Yacyshyn, Ben Wong, Bill Dinardo, Marlow Gereluk, Brock Trenchard, Anna Marie Huzar, Soo Kim, Anthony Enache, David Tupper, Salah Chehayeb, Nancy Leversedge, Mr. Kachuk. Center: Bonnie Kam, Nathalie Gallant, Mabel Key, Shannon Zwicker, Kim Sonnenberg. Front Row: Simon Baik, Hubert Lau, Marlena Kostinuk, Dave Yadallee. Missing: Zelda MacAndrew, Charles Lee, Blythe Venables, Luis Lajous, Pat Quon, Hugh Trenchard.

The Debate Club had an extremely successful season this year, and won many medals and trophies. With the largest club in the province, the debate club invaded many tournaments. The team won the Ross Sheppard Invitational, the Westlock invitational, and is in the finals of the Churchill debates. In the tournaments up to February, the club won a total of seven gold medals, one silver medal, and five bronze medals. The club is expected to do well in the regionals and provincials. Congratulations to all of the debaters, and especially to Mr. Kachuk, for bringing honor and recognition to McNally.



The Chess Club began the year with a six round preliminary qualification tournament lasting six weeks. After this was a twelve round tournament for the qualification in the final tournament for the McNally Chess Trophy. The club also sent two teams to the Senior High Team Chess Fall Warmup Tournament on December 8, 1984.

CHESS CLUB



Quresh Mohammedbai, Fred Hauf, Hugh Trenchard, Kevin Wong, Marcus Chung, Luis LaJous, Gary Wong, Kendall Harder, San Ching De La Cruz, Jim Freeman, Mark Harder, Pradeep Bhatia, George Barber, Alvin Doo, Brock Trenchard, Kevin Loo, Pat Ruhr, Steven Yi, Dave Yadallee, Mr. H. Glasel, Salah Chehayeb.

DUNGEONS & DRAGONS CLUB

The D&D Club was formed, and we exist, believe it or not.

Back Row: Terry Knudtson, Bruce Cameron, Glenn White, Paul Jenson, Allan Johnson, Jim Stevenson, David Wheeler, Carol Bosse, Paul Plaquin, Dave Bassie, Shaun Gilmore, Sven Homann, Sean Andrew. Front Row: Luis La-Jous, Seung Kim, Saranjeev Lalah, Ajax Saxena, Duane Rae, Angela Frazer, Jasbir Bhui, Parm Kailay.

APATHY CLUB

Having an exceptionally boring year in '85, the Apathy Club had by far the most members. For all the Pep Rallies you've avoided, the activities you've missed, the clubs you didn't join, the teams you didn't support, and the McNally spirit you've lacked, we give you this recognition.

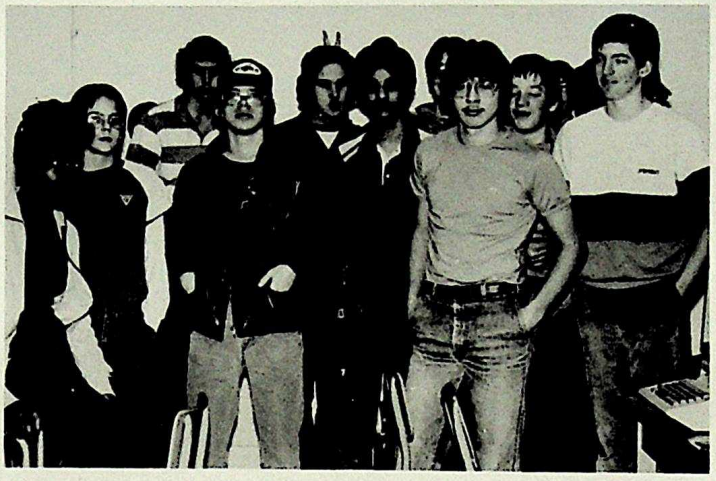
COMPUTER CLUBS

Many students spent their free time working on the computer. Students were very fortunate because they had a choice of working on their preferred machine — the I.B.M. or the apple (only Miss Flenady loves the Commodore).

IBM COMPUTER CLUB

Back Row: Chris Caso-Rohland, Stacy Kamasz, Frank Der, Dwight Clarkson, Lyle Mollenkoph, Gregg Shields, Mr. Sware. Front Row: Thoms To, Kevin Lauff, Kevin Hoople, Andy Norm, Lousie Labonte.

APPLE COMPUTER CLUB



Left to Right: Denise Joseph, Quentin McKay, Pat Green, Craig Stinson, Randy Stagg, Jasbir Bhui, Jason Colvin, Bob Krysa, ?, ?, Jeff Makus.

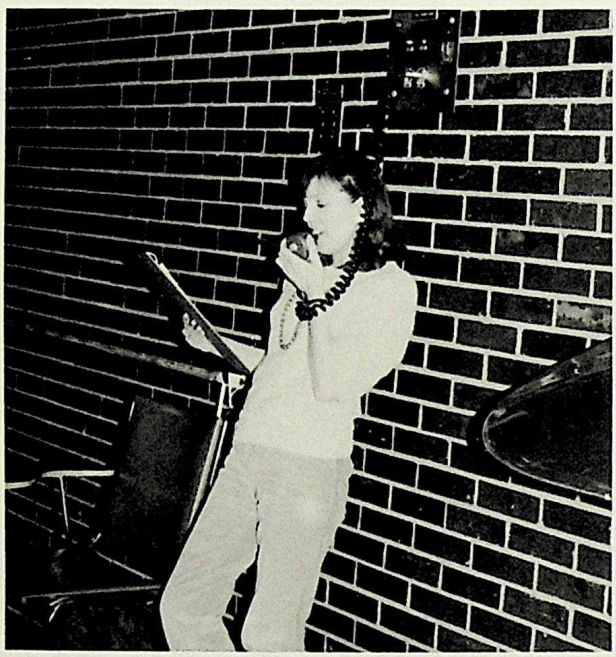
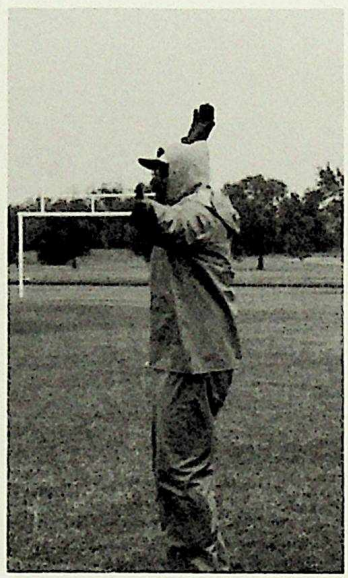
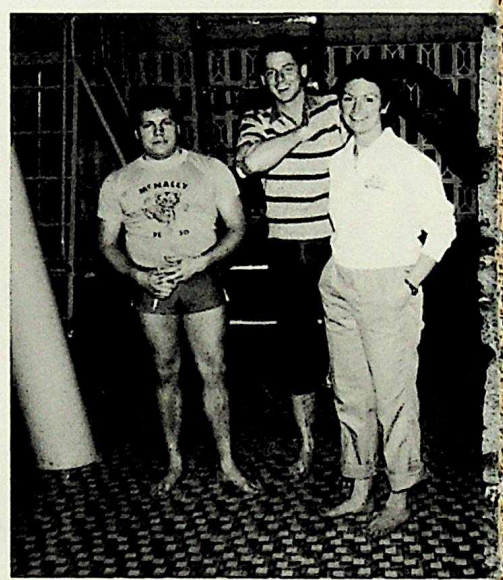
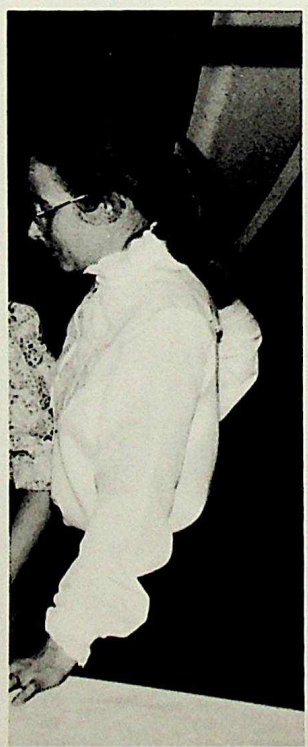
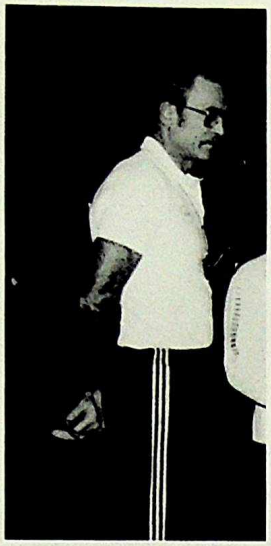
COACHES AND HELPERS

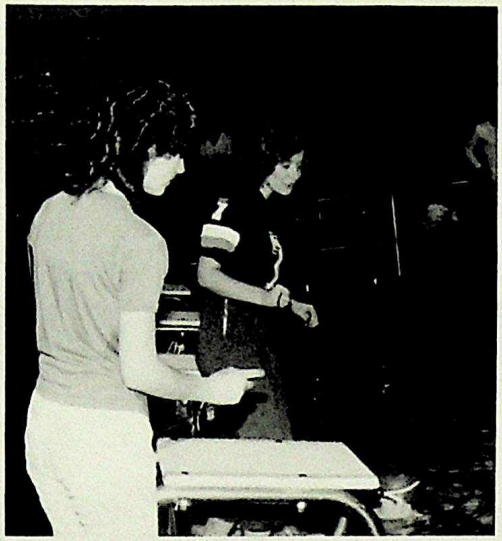












For every sporting activity this year, there were many people who worked hard, either to prepare the event, or the team. These people were the coaches, managers, and officials. Although these people sometimes go unnoticed, they are necessary to school life. The students of McNally thank all those who put their time and effort into ensuring that a sporting event went well.

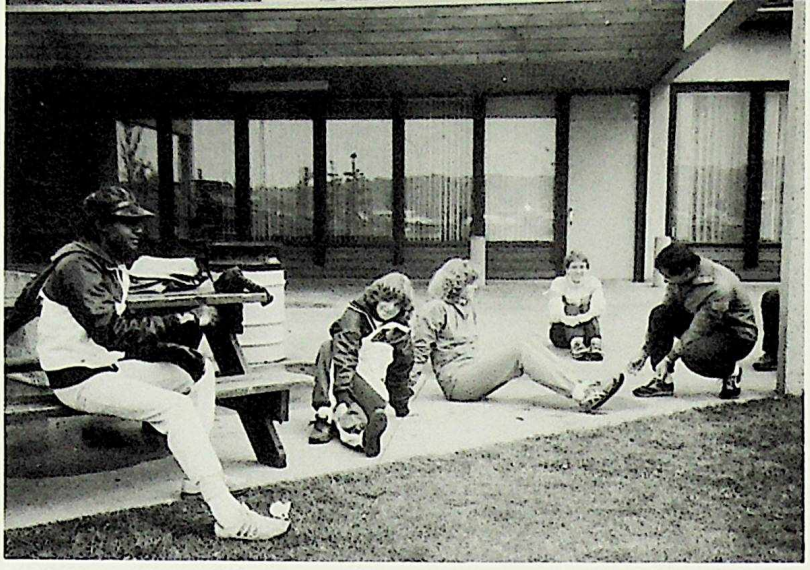
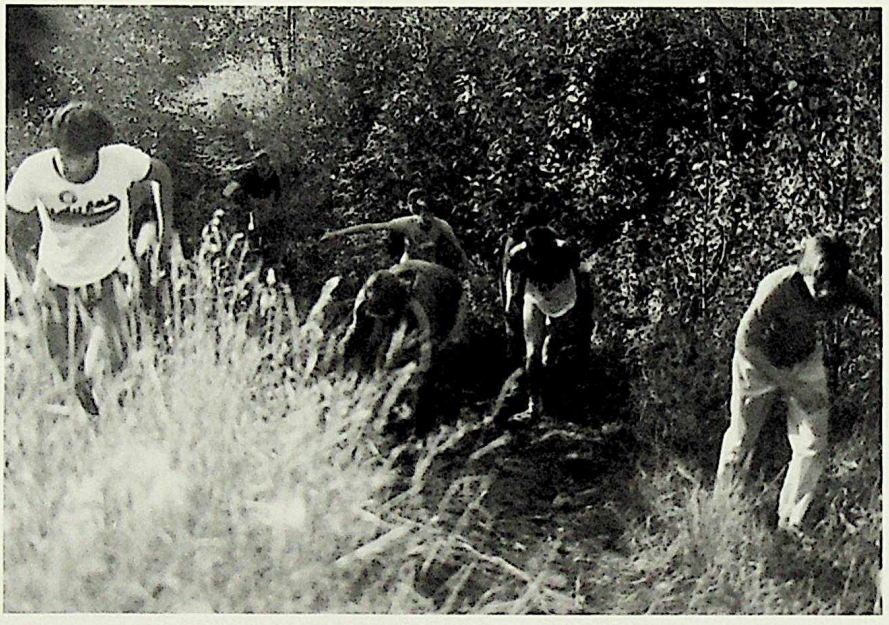
The team fielded a strong performance against Harry Ainlay in the playoffs, becoming the first team to score a touchdown on them. Much of the teams success can be attributed to fine coaching. When the season ended, everyone was disappointed that football season would not come for another year.





X-COUNTRY RUNNING

The McNally cross-country running team had an extremely successful season this fall. The team participated in a variety of races throughout September and October. Some outstanding feats of the season include the senior boys second place finish and the junior girls third place finish in the city finals.

This year's Swim Team had an excellent start. They won their first meet at Hardisty Pool and continued successes followed. Although the Swim Team was much smaller than most others, again this year with the help of an excellent coaching staff and extreme dedication by the swimmers, we were able to fight with the competition. As the season progressed, a true team spirit and unified friendship evolved.

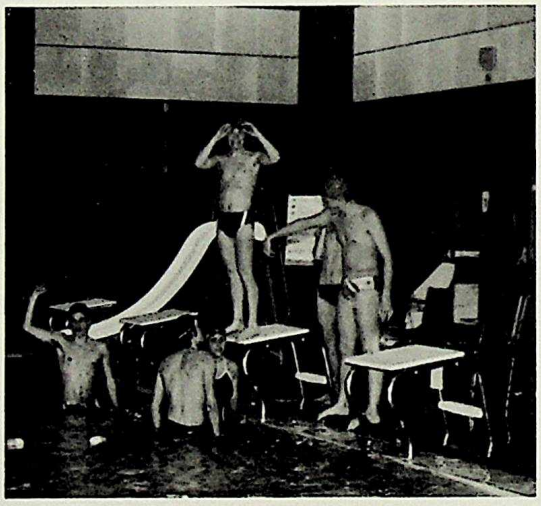
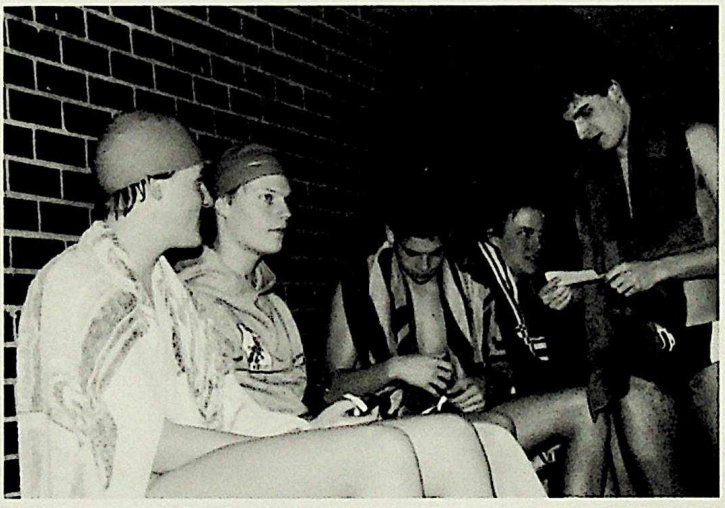
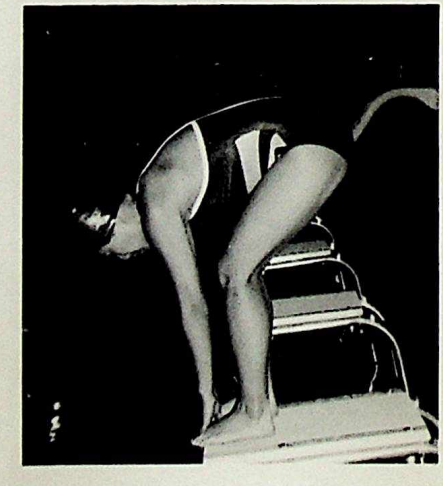
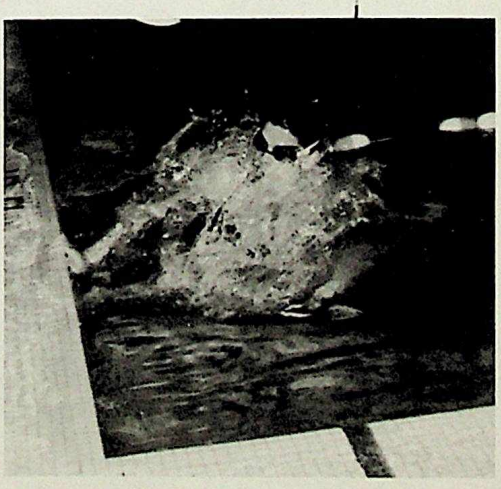
They did well throughout the season, competing in many matches at various schools, and by the end of the season they had greatly improved their abilities and techniques.









GOLF TEAM

The Golf Team was quite successful this year. We sent a team of four players to the city finals and placed 6th out of fifteen teams. Thanks to all those who participated and to the treasurer John Edwards. A special thanks to Miss Smith and Mr. Oberholtzer.

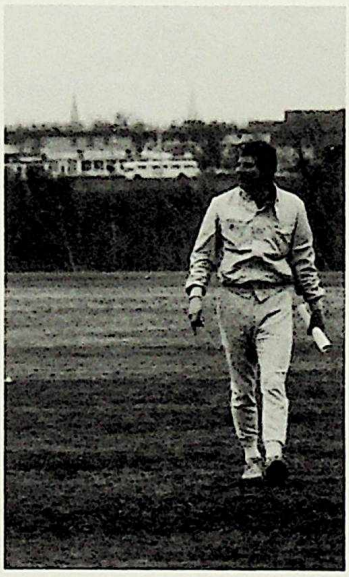
GIRL'S SOCCER

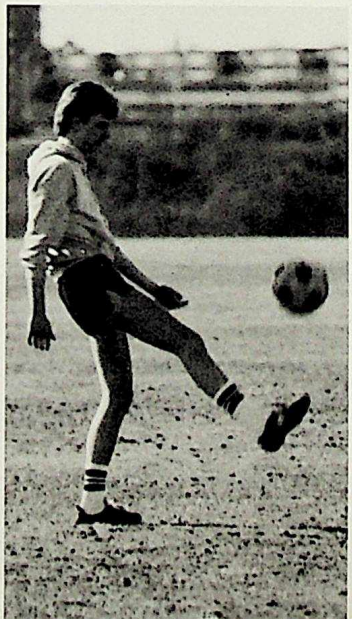
Coach — Glenda Awid
Assistant Coach — Sam Whincup

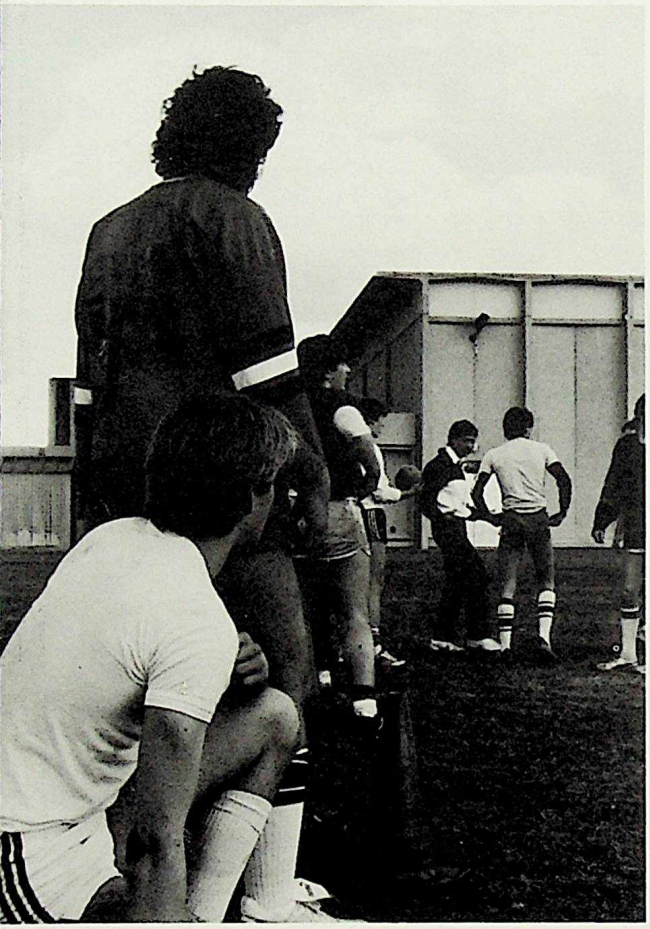
Although there were not as many participants for soccer as in previous years, the overall quality and work displayed by the players surpassed that of past teams.

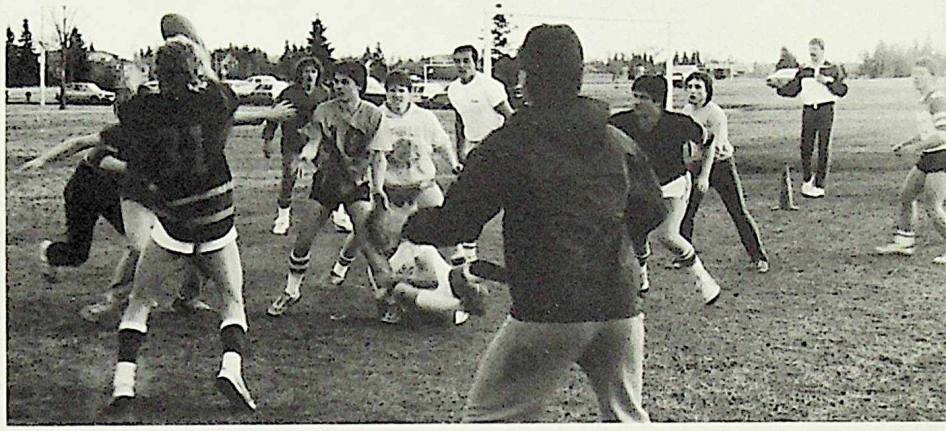
BOY'S SOCCER



After a successful season last year, the boys' soccer team have begun their April training and are preparing for what they hope will be another great season.

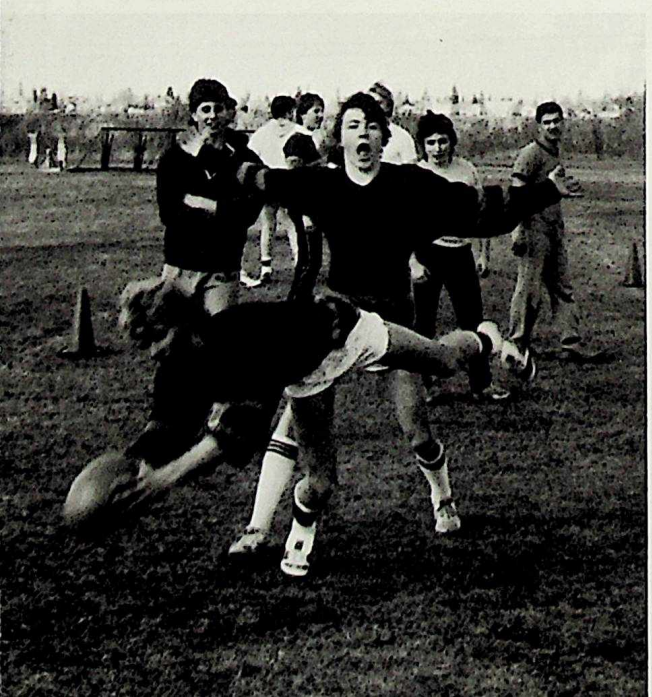




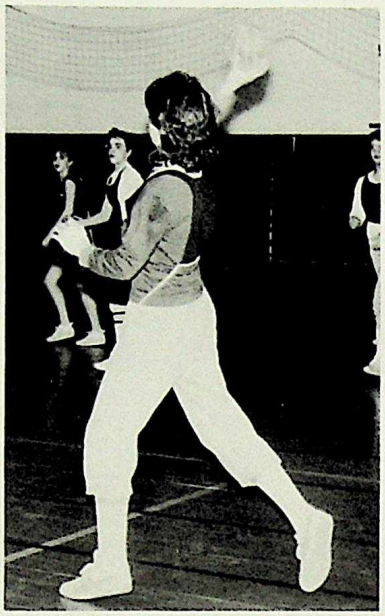


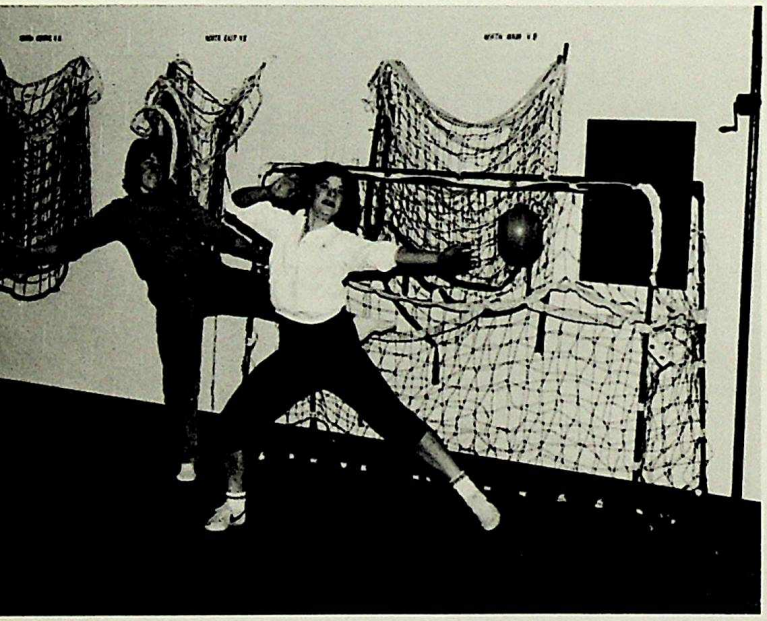
RUGBY

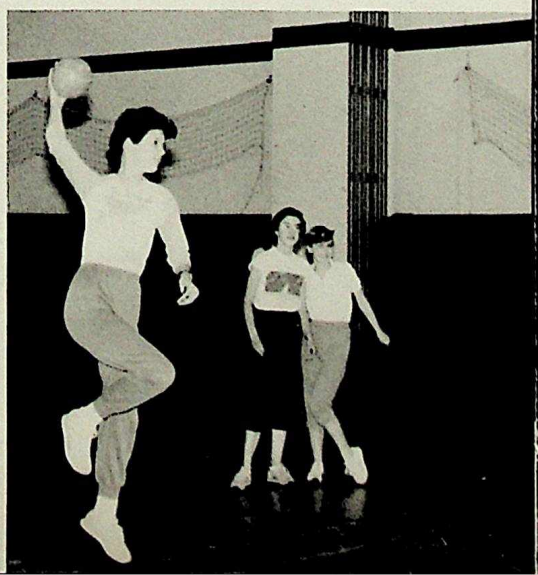
Coached by Mr. Skoreyko, the Rugby team got off to a good start. With their first game on April 19 against Bonnie Doon, the boys look with optimism on the season ahead.

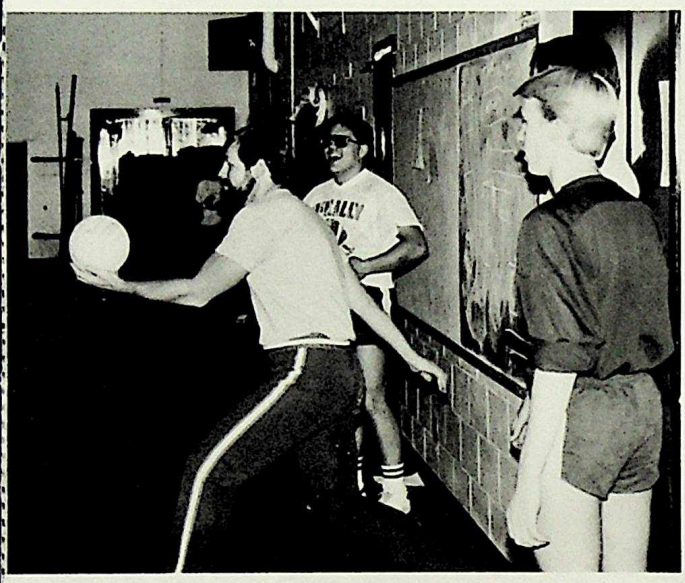


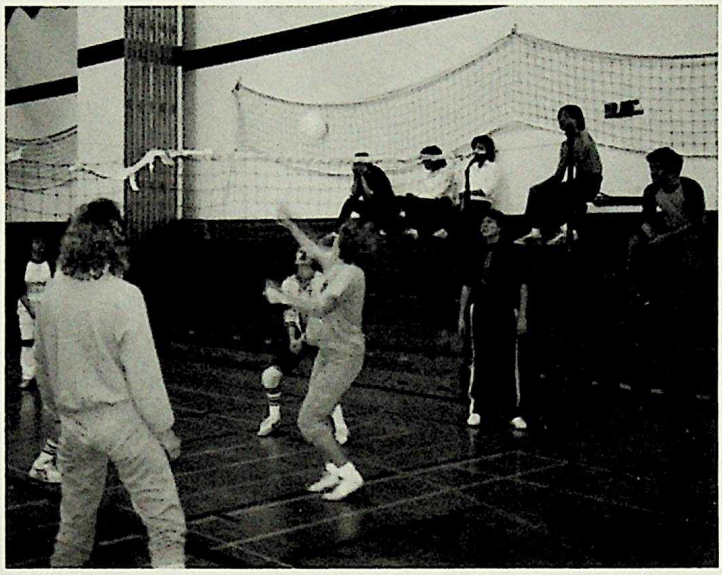
INTRAMURALS

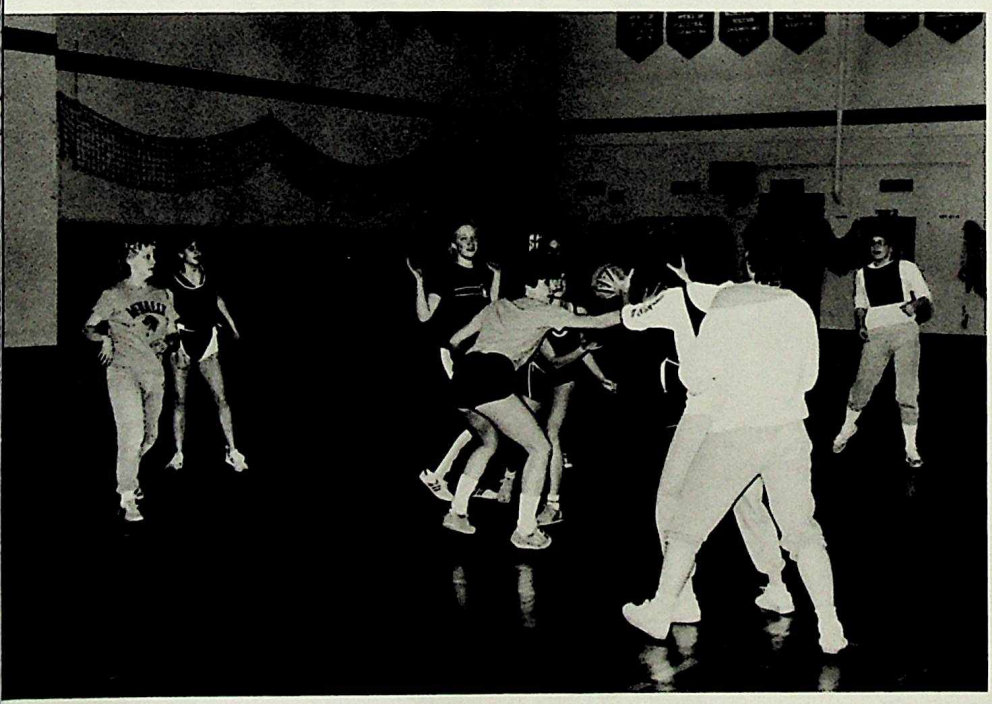


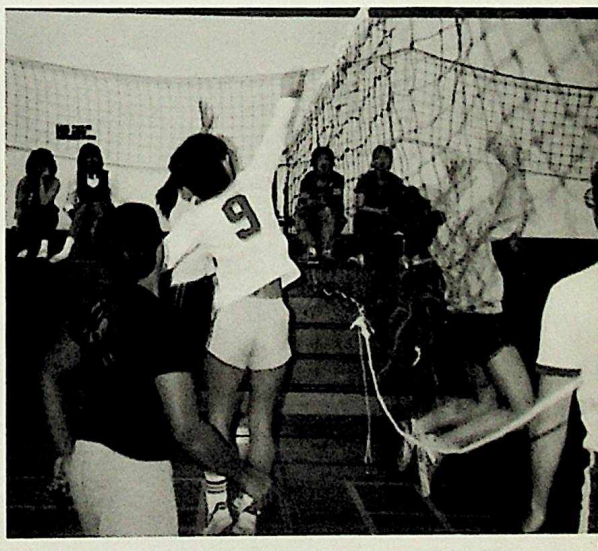






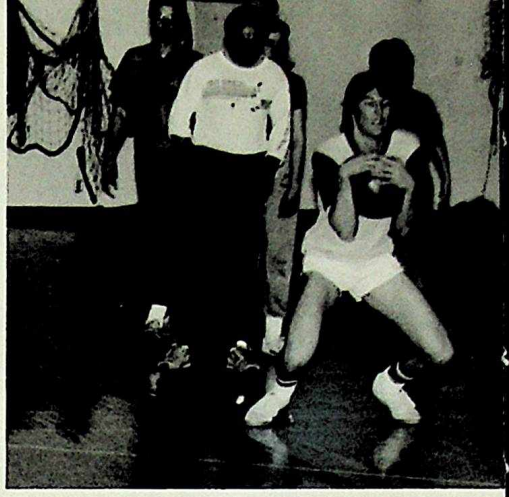


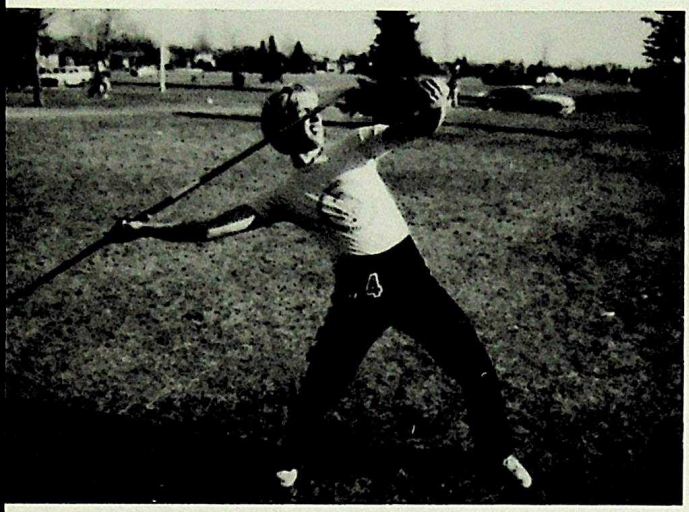


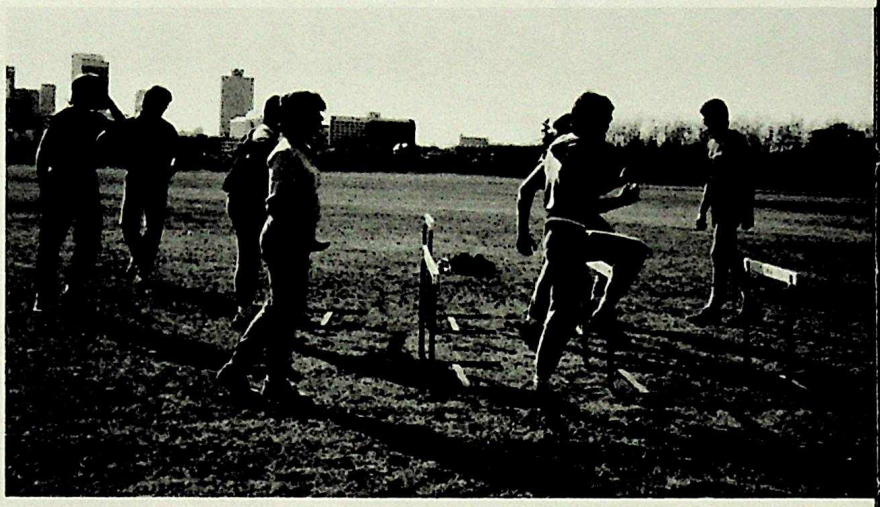


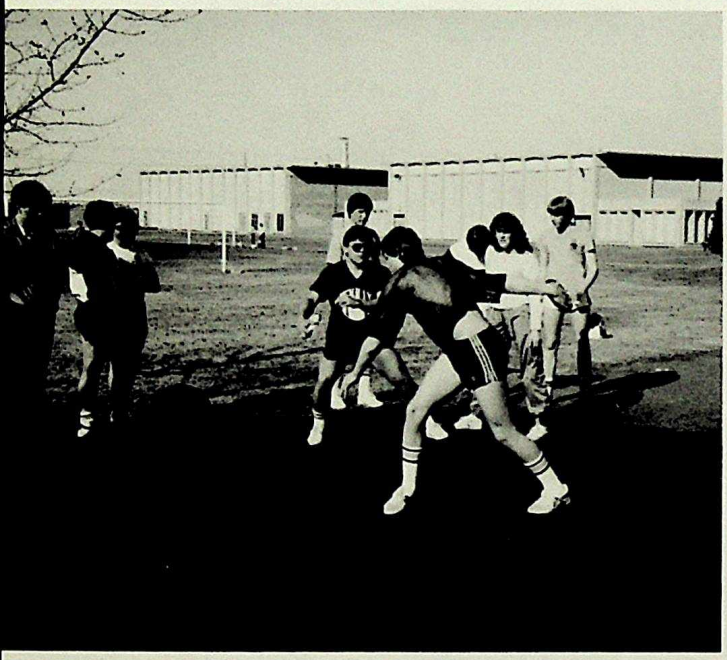
TRACK & FIELD

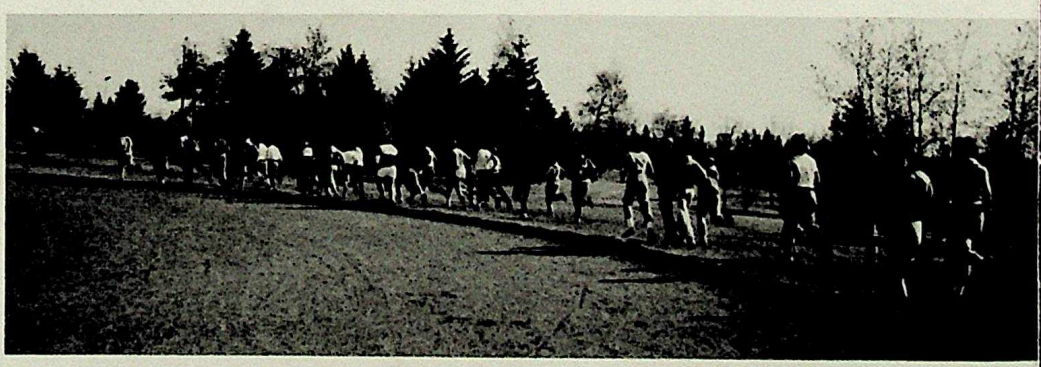
This year's track & field team consisted of many hard-working and dedicated athletes. The season got off to a good start, commencing with two weeks of conditioning before the real training began. Because of the early distribution of this yearbook, the track & field season had not progressed far enough to obtain pictures of any of the meets.

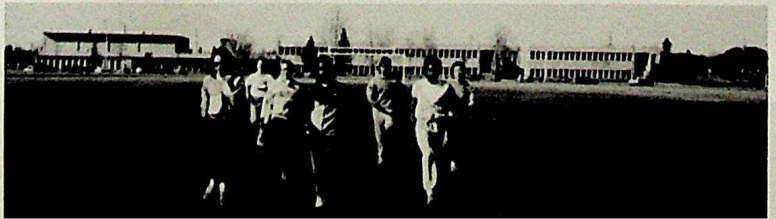












COMMEDIA DELL' ARTE

What is Commedia Dell' Arte? Loosely translated it means "Italian comedy". Commedia developed in Italy during the 1600's, later spreading to France, and England. Families and a few friends would travel in troupes, performing from town to town. Each member had one character which he developed completely. Through the use of stock characters, exaggeration and lazzi (pieces of comic business), the troupe would improvise plays.

Left to Right: Barbara Hursey, Florence Emde, Kathleen Lentz, Jason Colvin, Cheri Holfeld, Shannon Zwicker, Terina Fletcher, Rhiannon Beswick.

McNally's troupe was lead by Terina Fletcher, and consisted of her and seven other students. Each student was responsible for the costume, mannerisms, and personality of one character. Through the troupe as a whole, along with their groupies, Becki Bartlett and Lynette Beards, worked on the props. They met for an hour and a half every Thursday and performed a play, that they wrote, at McNally's Open House, Capilano Mall, The Lee Pavillion, The Interschool Drama Competition, and the Fringe Theatre Festival.

DRAMA

After a slow start, the drama students became very active in 1985. They presented skits at Open House, produced a series of one act plays in April, and finished the year with performances of "The Effect of Gamma Rays On Man-in-the-moon Marigolds."

MUSIC DEPARTMENT

The '84-85 season for the McNally Music Program was a hectic yet memorable one. The seventy people in the Concert Band had their first performance to open the Centre for Education at the end of September. Highlighting the fall season was a weekend clinic to Camp WoYoChAs. Winter's blizzards blew in a chill during December as many participants went carolling in a snow storm. Performances for P.D. Day and the Pancake Breakfast revealed some special interests (please Mr. Chrusch, no more violin!) January, a month for exams, had students practicing scales in every possible pattern. The Seventh Annual Big Band Ball, taking place in February, was a smash as the bands were encored many times. Stage band and Jazz Combo Festivals predominated in March. The groups played in Grande Prairie and at Grant McEwan College. The latter saw the McNally Senior Stage Band receiving the highest award. Following the spring concert, the Open House, and the school performance, musicians could relax for a day and partake in The 4th Annual McNally Musicians Spring Break Film Festival (Oh Sure!). The following months saw the Concert Band preparing diligently for the Moosejaw Tour during the May long weekend. Finally, the year was capped off by performances at the graduation and the year end concert.

Many Thanks and Have a Great Year!

Over the past three and a half years at McNally, Mr. Smith has contributed enormously to the well-being and enrichment of the music program. His achievements go beyond the numerous trophies his bands have received, for his knowledge exhibited through theory and performance have educated many students in all aspects of musical creativity. With his easy-going nature, Mr. Smith has no difficulty with relating to people and their many diverse personalities. In return, he receives much respect and gratitude from his peers as well as his many students. This quality distinguishes him from many others and makes him standout amongst the crowd. It is unfortunate that the school, especially the music department, has to lose such a talented and devoted individual as Mr. Smith, but his desire to enhance his musical capabilities to an even greater extent cannot be prevented. We wish you the best of luck in the future and once again thank you for the significant contribution you have made in our lives. Good luck Murray!

From time to time, the Awards Board, acting on recommendations from the students of McNally, select an individual for the Tigger Award. The Award is a small replica of a tiger which for many years has been used to typify the spirit of our school. The Award is a way of giving recognition to an individual who has performed services for the student body or who has brought distinction to McNally in fields such as music, art, drama, sports, technology, or some special project.

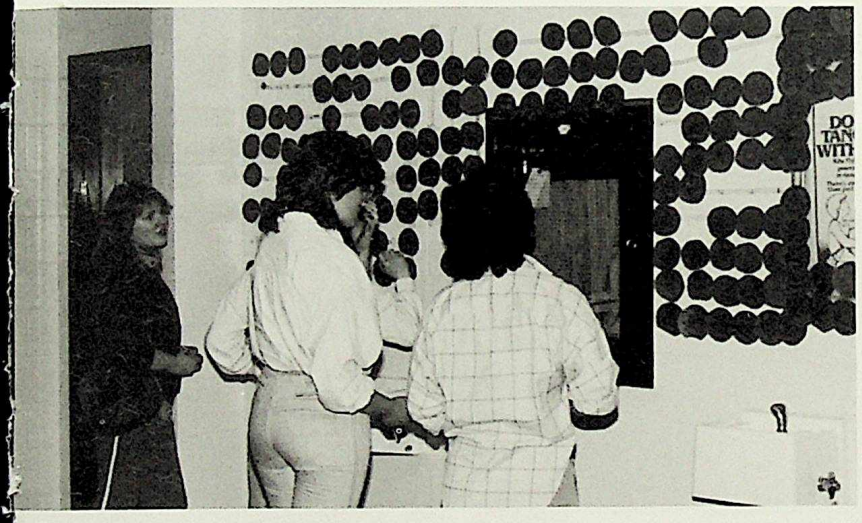
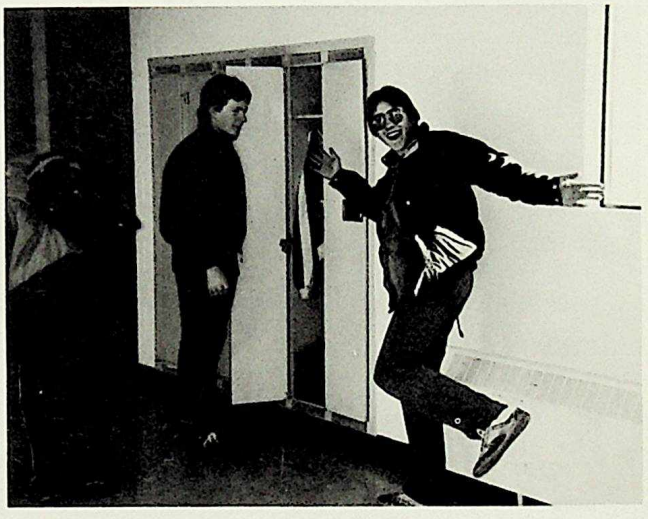
On April 19, a group of 28 students led by Dr. Salmon, set out on an excursion to Gaspé in Quebec. The students were exposed to French Canadian life for 10 days. They spent one night and morning in Montreal, touring the old part of the city and toured the Gaspé penninsula fishing villages and many other attractions. When they returned they hosted the returning Quebec group at the beginning of May.





In September, we set out to produce an entirely unique and photograph-filled yearbook to be distributed at the end of the year. Early deadlines in a chaotic atmosphere were barely withstandable. The long hours and frustrations endured by the few dedicated workers who stuck it out till the end, is what created Trend '85.

Go get 'em, tiger!

Memories are unchanging and one of the gifts that can never be taken away from us. They are ours to keep forever. In time, a memory can become infinitely more real than the experience and can be lived and relived in the safety of our minds. A photograph, a name, an event, can bring back a full-fledged scenario from the past — unchanged and everlasting.
